McDONALD-In Durham on Tuesday, 14th inst., to Mr. and Mrs. John McDonald, a son.

Two Districts Cinched

(Continued from page 1.) Three minutes later, the feet-footed Dundas secured the rubber and ran in on the Hags. Wonder of wonders! Markdale 1.

The local home were as lively as crickets when the last period opened. The Aberdeens bunched near the goal, but the Durhams played rings around them, through it was fascinating to observe. Two went in, then another, then another, then another. It took just 7 minutes all told. The visitors started rougher play, and Penelton 2, Skelton and Burnsides were ruled off. McCartee made a grandstand rush along the track but it availed nothing. Just 1 minute before time was called J. Kelly secured the sphere, rushed on the nets and the umpire's hand went up. It was Markdale's second. Both teams were not sorry the game was over.

GOAL TABLE

Table with columns: quarter, Durham, time, scored by. Rows include 1st, 2nd, 3rd, 4th quarters with goals by Smith, Hammond, Lavelle, and Cowan.

NOTES

Not so far to the finals. Moore worked the rubber into a Durham stick almost every draw.

Smith, Will Lavelle and Cowan were prominent in the scoring, and displayed clock work combination before the nets.

Who said they heard Dundak chuckling? Herman Wendorf intercepted many passes leading to the Durham nets.

Tommy Lawlor fed the scoring end of the home while Hunter made an excellent showing while he was on the field.

Gate receipts of nearly \$120. Very good for Durham. We noticed many farmers on the field who take an increasing interest in the game.

Hark I did any one hear the Standard's rooster crowing? Howard and Bert McDonald proved to be the goods on the defence, and were difficult to pass.

As field captain, Darling is the right man in the right place. The second home and home game in Markdale Friday. It may be closing and rougher but unless the Aberdeens display remarkably improved form, the Durhams may count on No. 2.

Blythe's Corners.

The rural schools opened to day and we fancy (judging by our own experience) that it was with sorry hearts and slow step that the little urchins proceeded to fill their places in the old stone school.

Miss Adair, S S No 1's popular teacher returned to her duties in due time. By the way Miss Adair has been elected President of the Knox Normal by Christian Endeavor a position she is well qualified to fill. Congratulations.

Another old Normanby settler and respected resident in the person of Mr Estroy passed to the great beyond about two weeks ago. Deceased was an honest hard-working man with a very quiet disposition and had through toil acquired a nice comfortable home and this summer had contemplated raising a new barn but cancer of the stomach had rendered him so suddenly low that it was with difficulty at his request he was raised up on his pillow and saw two bents of his long hoped for barn placed in position.

His remains were followed to their long resting place by a large concourse of sorrowing friends and neighbors.

A few of the farmers are finished with their harvest and if the weather continues favorable the great majority will be through this week. Jim McIlvride says that for years and years it never failed to come a wet spell immediately after he sows his peas and then again just as soon as he starts to harvest them. He got his first instalment this morning and it looks at time of writing as if he will soon get the balance. Good job for the community that Jim grows peas.

It was with much sorrow we learned of the McKenzie Bros fine new barn being destroyed by fire, by lightning on Sunday evening. Such a sudden calamity is hard to dream of what must it be to realize it.

Rev Mr Kay occupied the pulpits in Amos and Knox churches on Sunday. He made as good an impression on the Amories as he did on the Knoxites we have no doubt he will be the lucky man. He certainly is an easy off hand speaker with broad knowledge, most interesting manner and a very practical method of applying his subject on his hearers.

Miss Clara Hoeflin, of Orchard, is visiting her sister, Mrs. Don McIlvride the past few days.

We regret to report the quite serious illness of Miss Olive Thompson, for the past three weeks with an attack of pneumonia of the lung. She is now convalescent but is still in a very weakened condition.

The fellow who stops his paper because he becomes offended at some item that does not suit his fancy, always imagines he is getting even with the publisher, but he is never missed. This only happens occasionally, for there are only a few people in any community who imagine a paper should contain nothing but what they approve of.

A Kind Word, A Sunny Smile.

It was only a sunny smile, And little it cost in the giving; But it scattered the night Like the morning light, And made the day worth living. Through life's dull warp a woof it wove In shining colors of hope and love, And the angels smiled as they watched above, Yet little it cost in the giving.

It was only a kindly word, A word that was lightly spoken; Yet not in vain, For it stilled the pain Of a heart that was nearly broken. It strengthened a faith beset by fears, And groping blindly through mists of tears For light to brighten the coming years, Although it was lightly spoken.
