MILITARY MANOEUVRES ADDED A SURPRISE TO THE WORLD.

China's Armies Much Improved-Operations Almost Equal to Those in

European Countries. Changtofu, Oct. 23 .- A notable fosture of the autumn manoeuvres of the Chinese Imperial army, which began last Monday in the neighborhood of hangtofa, has been the presence the field of portable wireless telegraphy apparatus carried upon light wagons, and so adjusted that it can be erected in iess than thirty minutes. These stations were operated by Chinese officers belonging to the telegraph corps. The manoeuvres came to an end yes-

terday with victory for the northern army. At a village five miles south of Changtofu this army succeeded in checking the advance of the southern army. The manoeuvres began with cavalry opcrations followed on Wednesday by artillery practice. All arms displayed excellent discipline. Experienced military Changes in Conditions About Kilauea observers are of the opinion that, with the exception of certain minor defects and making allowances for the fact that these operations were an experiment, the manoeuvres were almost equal to those conducted in European countries.

The artillery and the principal equip ment of the troops were manufactured in Japan. The northern army undoubtedly was better clothed equipped than the southern. It also displayed better organization, and had more efficient advisers.

To-day the proceedings came to an
