"Good Goods at Right Prices." Phone No. 3.

PERSONAL MENTION

Miss Lewis of Mt Forest spent from Saturday to Tuesday with Mrs Arthur McClocklin.

Miss Bradshaw left for her home in Toronto after spending some weeks with her sister Mrs Dr Jameison.

We regret to learn that Mr John Wilson is lying seriously ill in Winnipeg hospital with typhoid fever.

Mrs Mighton left Friday to spend the winter with her daughter, Mrs Bliss, of Detroit.

Sunday last the Methodist church was most appropriately decked out in Harvest Home fashion, the pastor, Rev Mr Colling, making special reference to the season and the occasion.

Insp. Campbell is in Meaford this week and speaks at East Grey Convention on Thursday and Friday on "The Greatest Want of our Age" and other topics.

Rev Mr McIntosh, of Elora was the guest of Mr Alex Russell an old parishioner, during his visit here at the Presbyterian Anniversary services.

Mr and Mrs Geo Wilson received a disquieting telegram from Winnipeg on Monday stating that their son John who has been in the hospital for some time from typhoid, was dangerously ill. We hope to hear better news.

Mr John McArthur of the Glen, Glen Elg was in town last week after a trying summer's illness from which he has fairly well recovered. Part of his business was making his 27th payment on the Review, he being a firm believer in up-to-date payments for reading matter. May he live to make his 5th payment and may his tribe increase.

The thirteen year old son of Mr Wm Hale of Ainto was fatally crushed by a horse he was attending to in its stall on Saturday. He lived until Sunday morning when he succumbed to his injuries. He was a nephew of Mr Thos. Hale of Durham, formerly of this village, who with the bereaved family have the sympathy of friends here.—Aytton Advance.

Durham Markets.

Table with 2 columns: Commodity and Price. Includes items like Fall Wheat, Spring Wheat, Oats, Peas, Barley, Hay, Butter, Eggs, Potatoes, Flour, Oatmeal, Chop, Live Hogs, Dressed Hogs, Hides, Sheepskins, Tallow, and Lard.

It is a poor excuse of an old hen, if permitted to run loose in town, that cannot make at least one enemy out of a good neighbor.

Ontario Horticultural Exhibition. A Rival for the Winter Fair.

From the interest being manifested in the approaching Ontario Horticultural Exhibition, which will be held in Toronto, November 9th to 10th, it would appear that this exhibition is rapidly becoming a formidable rival in its way to the Winter Fair at Guelph.

Already it is evident that the exhibits of fruit, flowers and vegetables will far eclipse those made at the two previous exhibitions. In fact it is feared that Massey Hall will not begin to accommodate properly the exhibits that will be made.

A feature of the exhibition this year will be the presence of the Black Dike Band from Yorkshire, England, which has been secured at an expense of \$2,000, to play each afternoon and evening throughout the exhibition. Four different conventions will be held in conjunction with the exhibition: the Fruit Growers', the Vegetable Growers', the Bee Keepers', and the Ontario Horticultural Associations.

Among the most notable exhibits will be displays that will be made by the Ontario Fruit Experiment Stations, the Central Experimental Farm, at Ottawa, and the Ontario Agricultural College at Guelph. The latter institution is arranging a special nature study exhibit.

The exhibition is to be opened on the evening of Tuesday November 9th, by Premier Whitney. There is reason to believe that in time this annual exhibition will become as noted in Canada as the Royal Horticultural Exhibition in London, England.

RAILWAY RATES. People attending the Exhibition from points in Ontario outside of Toronto will be able to do so at lowest one-way, first class fare as follows:

On Wednesday and Thursday, November 7th and 8th special excursions will be run by the railways to Toronto from all points in Ontario, at lowest one-way, first class fare, Railway tickets bought on these dates will be good to return up to and including Nov. 10th. People desiring to attend the exhibition on other dates can do so at the same rate but it will be necessary for them to obtain Standard certificates from their station agents when they purchase their tickets to Toronto. One way tickets to Toronto, with Standard certificates, can be purchased November 2 to 10th inclusive, and will be honored for the return journey free, regardless of the number in attendance, up to and including November 14th, 1906. These certificates must be endorsed by the Secretary of the Exhibition in Massey Hall before they will be honored by the railways for a return trip. A fee of 25 cents will be charged for each certificate vised. Members of Durham Horticultural Society by applying to Seely Chris Firth will be granted membership tickets, admitting at all times during the exhibition, for 50 cents.

Canadians Fraternize.

To the Editor of the Review.—Pittsburg, the smoky city as it is called all over the world, is one of the most enterprising in the world for the amount of business that is going on. All the mills and factories are in full blast, in fact shops of all kinds are doing fine business.

It is also quite a Canadian city; all arrangements are completed for the banquet to be given by the Canadian Society of Pittsburg, at the Hotel Schenly, Friday evening, Nov 2nd. The speakers who have been engaged and who will speak on matters of vital importance to the two countries are Hon Rudolf Lemieux, K. C., Postmaster-General of Canada and the Hon R F Sutherland, K. C., speaker of the House of Commons. Mayor Geo W Guthrie, Senator Knox, Congressman J Dalnee and Judge Buffington are among those who will take care of the local end. James I Buchanan will act as toastmaster. Hon Rudolf Lemieux, K. C., who will be the chief speaker of the evening, is one of the latest additions to the Cabinet and one of the ablest orators and after dinner speakers.

The Canadian Society is composed of about 300 former residents of Canada, who have taken up their abode in Pittsburg and vicinity, some having been citizens of the U. S. for over fifty years and the majority being now American citizens. The Society is beneficiary and has in its rank a fine number of athletes who will start in to play Hockey when the weather gets colder.

So you can see the Canadians are very prosperous in this smoky city and make the most of life in other ways. Hoping you may find space for this short article.

In haste H McCORMACK, a Canadian. [We are pleased and so will be all Mr McCormack's South Grey friends to find him enthusiastic over things Canadian though loyal to his adopted country. We wish them all a pleasant time. If the roads were good we would be there.—Ed.]

A Good Chance

To secure an education that will most quickly and surely fit you for the practical duties of life is offered by this school. Under the management, with improved equipment and courses, our oldest school is the newest and one of the best. Write for catalogue and free budget of "Business Handwriting."

BRITISH AMERICAN BUSINESS COLLEGE. Y. M. C. A. Bldg., Yonge & McGill Sts., Toronto. T. M. WATSON, Principal.

Let us Laugh.

When we're feeling cross and snappy. Let us laugh.

Let's be cheerful bright and happy. Let us laugh.

Laugh—and let the face be brighter. Let us laugh.

Laugh—and let the heart be lighter. Let us laugh.

Then the life will be the whiter. Let us Laugh.

Tin e to Subjmt Local Option.

The time for providing for local option elections in January is rapidly nearing its close. The temperance people's power to compel council to submit a by law ends on the 1st November but a council has optional power till the second week in December. Meaford citizens presented the necessary petition to its council last Tuesday, and voting will take place at New Year's.—Ex.

About Typhoid.

In view of the prevalence of typhoid in many places, a physician has given these precautions in regard to infection from the disease. Typhoid he said, is no longer considered contagious. You may visit a typhoid patient with no fear of contracting the disease so long as you do not eat or drink in the same vessels, neither is there any danger in drinking milk, if the milkman is particular not to use infected water in washing the utensils. No matter how bad the water the cow may drink, the milk never contains typhoid germs. Drinking water is the main source from whence the disease is drawn. No water should be drunk at this season of the year without being boiled. People will also do well to clean their wells, backyards and closets, and remove anything likely to contaminate the water supply.

FLECTRIC RAILWAY.

Chief Engineer Hatrick of the Huron and Ontario Railway Co., is here with a staff of eleven assistants running a line from Clarksburg to Fiesherston this week. The line from Owen Sound through Meaford as far as Thornbury was surveyed last fall and since then other parts of the route have been located. The charter for this railway was granted a few years ago to a company to construct it from Port Perry to Port Elgin on Lake Huron, with a spur from Fiesherston down the Beaver Valley and along the lake shore to Meaford and Owen Sound, but it is now increased to 400 miles with ports on the upper and lower lakes where lines of steam boats will operate under the one management.—Clarksburg Reflector. The Rev Irl R. Hicks 1907 Almanac.

The Rev Irl R. Hicks has been compelled by the popular demand to resume the publication of his well-known and popular Almanac for 1907. This splendid Almanac is now ready for sale by newsdealers, or sent postpaid for 25 cts. by Wm. A. S. Woods, Printers and Publishers, 2201 Locust Street, St. Louis, Mo., publishers of Woods' 1890 Woods, one of the best dollar monthly magazines in America. One Almanac goes with every subscription.
