Aleading weekly Journal, giving prominence to locality news of Durham and County Grey, with special attention to the South Riding.

Virtue comes from it until it has been rubbed against some hard place in life. To protect children from all temptation and rough places will not promote a high moral character. It would be equally unwise to place the child in the way of great temptation at first. Some small hardship and temptation, small enough to be overcome by the childish nature, then a little greater and still greater with

little greater and still greater with sufficient encouragement to ensure against failure and at last the child We give below the substance of an will develop pluck and confidence excellent paper given by Miss Baines and become a rational self-governing

It is scarcely reasonable to teach the child that if it always does what great need of bolstering in many is right it will be sure to have a pleasant time and obtain all the ben-It to be regretted that many teachers regard moral training as a thing separate and by itself. Too often it the lot of all and that the immediate is dependent upon the opening exer-cises or is made the subject of fixed falls most heavily on the innocent.

We should endeavor to have more

feelings or lessen the pupils reverence

We should teach the value of truthfulness. Let the chiid see that in Moral culture in schools is training the pupils to distinguish between right and wrong and by different means broadening their views and elevating their nature that right and duty will prevail. If the ethical side of a child's nature is properly cultivated the grown up person of average mental capacity will have little lower the moral tone of the whole
