ERTHHNATIONAL LESSON NO. XI De.C. 16, 1906

Jesus Risen From the Deed .- Matt. 28: 1-15. Commentary .- 1. The women at the tomb (v. 1.) 1. End of the Sabbath-After the Jewish Sabbath was past. It closed on Saturday night at sundown. ing the ground with the forehead. To dawn-The women probably left their homes at different times. John says, "When it was yet dark" cometh Mary. Mark says they came at the "rising of the sun." First day of the week-Christ was in the tomb part of Friday all day Saturday and part of Sunday which was called three days according to Jewish reckoning. He arose very early in the morning on the first day of the week. Jesus lay in the grave on Saturday which signified that henceforth the Jewish Sabbath, like all other Jewish institutions, was dead. The first day of the week-the resurrection day, which was called by John the Lord's day, has always been observed by Christians as the Christian Sabbath. The first day of the week was the first day of a new dispensation, which was in every respect better and grander than the old. Mary Magdalene-She was a native of Magdala, a town on the Sea of Galilee, and was foremest among the honorable wo men who ministered unto Christ and His disciples, being especially devoted to Christ for His mercy in casting out from her seven evil spirits (Luke viii. 2, 3). There is no evidence that she was ever a bad character. The other Mary -This was Mary the mother of James the Less and Joses (Mark xv. 47); the same as Mary of Cleophas, a sister of the mother of Christ (John xix, 25). To the women named here Mark adds Salome and Luke adds Joanna and other in height and two or three in breadth.

It revived the dead hopes of the disciples. It was a time of gladness and brought (1) joy. 2) victory, (3) faith. Only the fact of the resurrection can account for the marvelous change that came to them, by which they were filled with courage to suffer and die for their risen Lord, 2. The resurrection brought hope to bumanity: (1) It brought the hope of immortal life beyond the grave. (2) It gives assurance of our own resurrection with spiritual bodies like His glorious body. (3) Christ is alive and is thus able to make His promises good to us: He is able to save unto the uttermost. seeing He "ever liveth." (4) The risen Christ is the remedy for every trouble. (5) The fear of death and the grave is removed. In Christ death has met its Master, and the grave can no tonger claim to be the victor. Tell His disciples

GIRLS ENTERING WOMANHOOD

Will Find Bileans a Boon-A Word of A tvice to Mothers.

The development of a girl at the time when she is just emerging from girlhood and passing into the fuller life of womanhood, should be carefully

watched by all mothers. Very often a girl complains that her clothes weigh her down. She becomes weak, has a feeling of weight at the stomach after meals, suffers from frequent headaches, and is often restless and miserable. All these symptoms mean that her vitality has reached a low ebb, that some natural tonic required to re-tone the system and increese her vigor and energy. This can only be done by enriching and purifying the blood and the surest method of doing this is by undergoing a course

The result was wondergive her back her life and energy in a few days! She is now in excellent bealth, although at a very critical age,

and I have Bileans alone to thank." Thousands of mothers tell a similar story of praise. Don't forget, too, that Bileans cure indigestion, constipation, since Tuesday as reported by the railways piles, headache, debility, biliousness, were 111 car loads composed of 1,431 cattle, and all liver and kidney troubles.
