Swinton Park.

Well Mr Editor as we have not seen any news from our burg in your paper, we thought we would send you a few items.

Hale and hearty the record breakers have returned from the wild and woolly West.

We believe there will be a Christmas Tree at St Andrew's church on Thursday the 20th. A good program is being prepared.

Rev Dr Caldwell, of Fleaburton, preached a very able sermon at Salem on Sunday last.

Mr W Heard visited Mr Herb Campbell Sunday last.

Miss Silva Sackett has returned home from the Queen City and we notice a young gentleman wears a very pleasant smile.

All the boys who intended coming home from the west have returned. Glad to welcome them back.

We hear of Mr Wm Porter going to have a wood bee. Particulars later on.

The funeral of the late John McKechnie of Hopeville, took place on Friday last to Swinton Park cemetery. We extend our greatest sympathy to the sorrowing friends.

Hopeville.

Died at his residence 2 miles west of Hopeville, on Wednesday the 23rd Nov, Mr John McEachnie, one of the pioneers of Proton township, aged about 80 years. The funeral was on Friday the 30th to Swinton Park cemetery and was very large, friends coming from Durham, Priceville, Egremont and some from Toronto. The ministers in attendance were the Rev Mr Gibson of Hopeville, the Rev Mr Matheson of Priceville, and Mr Baird, the former pastor of the Hopeville church, but now of Toronto. All officiated at the house services and Mr Gibson and Mr Matheson at the cemetery.

Mr McEachnie was one of four brothers who came into Proton about 50 years ago and settled on four wild lots on the 12 and 13 Con., all adjoining each other. They were Neil, now living in Proton, but confined to the house, John, who we now write about, Alexander, who moved into Osprey a few years ago but since died, Roderick who a few years ago moved from here into Keppel township near Owen Sound.

This family of McEachnie's came from Glenelg township, where they lived for a few years after coming from the Highlands of Scotland. When they went into Proton very little of it was settled upon and they got four good lots, which by their industry made good farms. They had to bear the hardships of early settlers, but being strong robust men were well fit for the heavy task of a pioneer's life. Often they had to go to Durham mill, nearly 20 miles and carry a bag of flour on their back with some other groceries in a bundle without any road, but a path through the bush by the blaze of the surveyor, then around a Proton swamp, for a few years, but they were a contented people and lived to see the foot path turned into a road fit for oxen and a jumper to go on. Then they begin to see other and better improvements, good roads, fire buildings, etc., before their departure from this life.

Mr John McEachnie was married to a daughter of the late Archibald Ferguson, who lived on the 15th con. She and a large family of children, most of them married, are left to mourn his departure.

Mr Baird, the former pastor of the Hopeville church, was here for nearly a week but has left for his home in Toronto.

Our old Hopeville blacksmith, Hamilton Allen, who has purchased a shop in Durham, was home here last Sunday, he not having moved his family out there yet, but expects to do so soon. The Durham people will find Mr Allen a good workman.

North East Normanby.

Mr and Mrs D Leith were in Holstein Saturday. Mr and Mrs John Morice returned from the West Wednesday of last week. We are sorry to learn that Mr Morice has poor health.

Mr Wm Walker, of Holstein, visited Normanby friends on Saturday.

A meeting was held in S S No 1 on Monday evening for the purpose of nominating a concilman for this ward. Motions were made for Mr T Wallace and Mr David Lefth but both resigned in favor of Mr Richard Barber.

Mrs James Morice is seriously ill at present. Hope to hear of her speedy recovery.

Mr John Leith is engaged with Mr Robert Smith of your town, for the winter months.

Mrs Alex Smith visited Mrs James Marshall and other friends on Thursday.

Mr Jas Webber intends moving the barn from the old Marshall farm to place it near his own buildings.
