No LIFE SO GOOD.—Country life has its drawbacks, but it has its great advantages which overcome them. True those who live in the country are "Rubes" and "Farmers" and "hay-seeds" to the cigarette smokers in town but the boast of the business men in the world today is that they were born on a farm. Take away the surrounding evils that beset the young men or women on the threshold of life's journey in the city, and substitute the helpful influence of nature, and you fortify them for the sterner walks in life. The few things which they do not know about table etiquette and when it is proper to leave two visiting cards and when but one, they will catch onto much quicker than city boys and girls will learn to properly stroke the furnace or make good bread. No boy or girl need be ashamed of living on the farm, for if they have taken advantage of what it has offered they are well fortified for after life.

CAMERON—BROOKIE.

A very pretty wedding took place at Antler, North Dakota, at the home of the bride, when Mr William Cameron and Miss Elgie Brookie were united in the holy bonds of wedlock by the Rev Wm. Shields, pastor of Antler Presbyterian Church.

At half past six on the evening of November 21st, the young couple took their places before the Reverend gentleman, who speedily performed the ceremony which united two loving hearts and lives.

The bride was becomingly attired in a gown of white silk mull trimmed with valenciennes lace and all-over lace. She wore a necklace of pearls and a bouquet of white carnations.

The groom wore the conventional black.

The house was tastefully decorated with bridal roses and carnations. Only the immediate friends of the bride and groom were present and after the customary congratulations following the ceremony had been gone through, these sat down to a table loaded with the very best things the most capricious appetite could wish for.

The presents testified to the esteem in which the young couple are held.

The groom is a prosperous farmer of Westhope having come here from Ontario some years ago. He is a son of Malcolm Cameron, formerly of Bentinck. The bride was formerly of Cutler, Indiana, and has taught a number of terms of school in this county.

A BRACING RIDE.—A lady correspondent sends us the following recipe for those who desire the fresh air cure: "The means of conveyance afforded travellers from Durham to Walkerton is something everybody should avail themselves of; it is a grand vehicle with the place where the doors once opened, but are now closed, now allowing the inmates lots of fresh air thus giving protection against contagious diseases.

I had 250 acres of Good Land above Durham, well improved, with very fine buildings, advertised in the REVIEW for \$7500. I can now sell it for a good deal less and IT'S A BARGAIN.

LOOK HERE, FARMER

Then I have a 100 ACRE well improved farm near Durham that I will sell VERY CHEAP or trade for other lands some \$3000 I will sell 100 acres in Bentinck, with good soil, brick veneered and frame house, large frame bank barn, frame stables and pig stables, good orchard. This is really a sacrifice good orchard.

I have also a great lot of other property for sale and a MILLION DOLLARS OF MONEY to lend at very low rates. I COLLECT DEBTS, carefully prepare all kinds of WRITINGS, sell C. P. R.
