Varney

Beware of the wild-cat! Several parties have seen it and our village is quite astir.

Misses Maggie and Cassie Burns are home from Toronto for the holiday season.

We are pleased to have Miss Lena Allen in our midst again after a few month's sojourn in the city.

Misses Eleanor and Mildred Leeson spent Monday in Mt Forest.

Miss Lizzie Darby arrived Monday to spend Xmas with her sister Mrs Harry Wilkinson.

Mr and Mrs John Campbell and two children of Cottonwood, (near Lumsden), are home on a visit to Mr Q Pettigrew's.

Mr and Mrs Pyke of Mt Forest called on friends here Saturday while on their way to eat goose with Hanover relatives.

Mr Van Alstein visited Mr J. W. Blythe and family last week and took away his furniture on his return.

Mr R Pettigrew has a sick horse, which prevented him going to work on the railroad this week.

Miss Adair has gone to her home near Collingwood to spend a well earned holiday.

Happy and prosperous New Year to All.

Hampton

The funeral of the late Jas Park which took place on Friday afternoon was largely attended.

The old saying that "mistortunes never come singly" seemed to be verified when Mr Herd, the father of Mrs Archie Park died on Thursday evening after a few days of sharp and sudden illness. Much sympathy is felt for the bereaved families.

Mrs ——— and daughter Mrs McConnell of Manitoba are visiting with the former's sister Mrs H. Byers at the Post Office.

The closing day exercises at our school were not very well attended. The few who went were well pleased with the prettily decorated schoolroom and the brightness and intelligence of the pupils, who acted their part well.

Mr and Mrs David Gilmour are rejoicing over the arrival of a little daughter on Dec. 17.

The little daughter of Mr and Mrs Jas Young, was seriously ill last week but is improving.

Mr Young a student, preached missionary sermons here and at Hanover on Sunday.

Among those home from the West for the Christmas season are Miss Janet Byers, the Misses Little and their brother.

Miss M. Lesson is spending her vacation at Varney.

No money will be spared in bringing in some of the best representatives of all these classes from the stables of our leading Ontario breeders. The work will be conducted by G. E. Day, Prof. of Animal Husbandry; H. S. Arkell, Lecturer in Animal Husbandry; and Dr. J. H. Ross, Prof. of Veterinary Science with the assistance of other competent stockmen who are regarded as authorities on the most valuable breeds of farm animals.

One hour each day will be spent in lectures on seed selection and the best methods of cleaning seed, and in the judging of oats, barley, wheat, peas and corn; and of the grasses, clovers and various fodder crops and in the identification of the weed seeds most common in grass and clover seed. This course will be conducted by C. A. Zavitz, Prof. of Field Husbandry; J. Buchanan, Lecturer in Field Husbandry; and J. E. Howitt, Lecturer in Botany.

In the Poultry Course which lasts for one month instruction will be given in the following branches of the Poultry business: Preparation of plans, specifications and estimates of poultry houses for various purposes; location, construction, ventilation and furnishing; breeds and varieties of fowls; origin and characteristics; principles of natural and artificial incubation and rearing, feeding, care and management; the production of eggs in winter; demonstrations and practice in fattening, killing, and preparing chickens for home and foreign markets.

The demand for trained men in Dairying too far exceeds the supply, and young men thoroughly equipped in the Science and Practice of Bacteriology and Cheese-making are in constant demand. The Dairy School is well prepared to give a good course in Dairying. (The term is three months) A herd of about 40 cows, heifers, and calves representing three different breeds of cattle, gives an excellent object lesson in the handling, feeding, and caring for a dairy herd, besides supplying specimens for class room work. A record is kept of each cow's milk, that students may see the importance and simplicity of a cow record.

These courses are offered as was stated before, for those farmers and farmer's sons who have not the time nor the money to take the regular College Course and it is to be hoped that a large number will avail themselves of the opportunity to attend during the coming January.

Notice to Creditors.

In the matter of the estate of Samuel Kidd, late of the Township of Egremont in the County of Grey, Farmer deceased.

NOTICE is hereby given pursuant to "The Revised Statutes of Ontario," 1897 Chapter 120, that all creditors and others having claims against the estate of the said Samuel Kidd, who died on or about the twenty-fifth day of November A. D. 1906, are required, on or before the eighteenth day of January A. D. 1907, to send by post prepaid or deliver to Mrs B. The Ontario Agricultural College Free short Courses.

For over thirty years Agricultural College has provided courses of study and practical field work for farmer's sons, and thousands of young men have taken advantage of it. At first the course was two years. This was found to be too short, and in 1888 a third year was added. Still later it was found impossible to do justice to the work in three sessions, and the regular college course, leading to the degree of B. S. A. now covers a period of four years.

But there are many farmers and farmer's sons who can not spare the time to take the long college course, and others who might find the time, but have not the means or education sufficient for matriculation. For the sake of such men we have supplemented our regular work by adding short courses to meet their special requirements.

A judging pavilion, with a fifty foot ring, and with seats all around capable of seating comfortably 350 persons, has been built especially for the convenience of those taking the short course in live stock. Into this ring all classes of horses, beef cattle, sheep and swine, are brought for criticism. The animals are judged by the members of the class themselves, and finally judged by some recognized authority, so that students may have a good opportunity to compare their judgment with that of others.
