FLOODS DAMAGE INTERCOLONIAL. Will Necessitate Moving of Tracks in

Several Places. Sydney, N. S., Dec. 31.—Heavy flods the past two days have caused considerable damage to the road-bed of the Intercolonial Railway, and seriously threatened it in several places owing to washing away of dumps and approaches. The ground has slipped away in many places along the Bras d'Or lakes, and it will be necessary to remove the tracks further inward in order to ensure safety

to trains. No freight was sent over the road since Monday, and none will be until press trains are being moved with great Sunday School.

Madame Louis Belleau of 17 Ramsay St., Quebec, Que., writes: Dear Mrs. Pinkham:

"Lydia E. Pinkham's Tegetable Compound assisted me to pass the change of life with but very little sickness and pain, and I am pleased to give it my endorsement, for I feel that it is the medicine which every woman should take. I am the mother of three children, and when I reached the age of fifty naturally my health was none too good, and I feel sure that if I had not taken your Vegetable Compound I should not have passed the climax safely. I took it off and on for two years and now find that I am in splendid health and strength and feel younger and better than I did ten years ago. Much praise to your medicine, and may all suffering women learn of its value.

For special advice regarding this important period, women are invited to write to Mrs. Pinkham, Lynn, Mass.
