that Cain deplores his punishment more than his sin. In either case he is evidently in despair. Oh, the remorse and terror of a guilty conscience.

14. Face of the earth-The reference is l in verse 16, it is stated that Cain went to the land of Nod, on the east of Eden. From thy face-From that hallowed spot on the east of the garden of Eden where the symbols of the divine presence were Commentary.- I. True and false wor- | set feliap. iii. 24), and where probably, by which Cain was known as the cursed there were no fatalities. man. Some, however, think the Lord gave Cain a sign whereby he could know

sign answered both purposes. PRACTICAL APPLICATIONS.

In Gen. iii. 15, we have a foreshadowing of the divine purpose in providing for the restoration of man from sin to holiness. In the incident embraced in this lesson we have an illustration of God's method of dealing with those who, sighting the provision he has made for their ordinances, become obdurate and impenitent in their rebellion against him. In cords of primitive times, we need to excreise constant care lest we seek to be
