## What is in a Name? EVERYTHING.

Our reputation is made by the goods we sell and the values we give. Nothing we can say will so fully endorse our new lines for spring as seeing the goods and making your own comparisons.

Take advantage of the reductions stock-taking brings you. We have too many winter goods in some departments and there'll be no let up in the ruthless price sacrificing until they're down to normal conditions. We must get them in the more easily counted commodity-cash.

## Men's Clothing and Furnishings
