Some of the United States papers have queer ideas of morals and honor. Recently the people of California have been Japanese, and while the President and On his moved lips the seal of silence | the country generally feel that they are putting the nation in the wrong, the peculiar character of the constitution-it son, the Chicago Chronicle says:

But while the people of this country will concede anything to justice, decency tude. They will not prostrate themselves before any other nation on earth. They do not have to do so.

We fancy that honorable men among our neighbors will not approve of that strut and bounce. When a gentleman strong and doesn't have to; he puts

Most people know that if they have been sick they need Scott's Emulsion to bring back health and strength.

But the strongest point about Scott's Emulsion is that you don't have to be sick to get results from it.

It keeps up the athlete's strength, puts fat on thin people, makes a fretful baby happy, brings color to a pale girl's cheeks, and prevents coughs, colds and consumption.

Food in concentrated form for sick and well, young and old, rich and poor.

And it contains no drugs and no alcohol. ALL DRUGGISTS; 500. AND \$1.00.
