This week's budget
A very successful Box Social was held in Clark's school house on the 28th of Feb.

The attendance was very good considering that other entertainments were held the same week in other places. Proceeds amounted to over \$28.

Mr. Wm. Black, of Durham, occupied the chair. He opened the program by a little talk and a few good stories well told. A flag drill was given by the school children in such a manner that did credit to our popular teacher, Miss Morton, she having been trained so that the drill was carried out to its fullest.

Mr. Archie McLean favored the audience with a recitation. Archie being a good reader was heartily welcomed. He gave as an encore "Brother Watkins," which almost made the crowd as well as brother Watkins the old grey mare was being sung as if it were a new one.

Mr. O'Neill, teacher at Lamesa, sang "Loch Lomond" and several other selections. She not only has a highly cultivated voice, but also an appearance which goes to make a good platform singer.

A dialogue was well performed by Miss Agnes and Mr. Alex. Morton. It being entitled a "Great Misunderstanding." A recitation was given by Dugald Clark entitled "An Irish Philosopher." He acted the Irishman very good, although Dugald is descended from the land of the heather.

Recitations were also given by Thos. Johnston, Walter Lacey and others. Recitations were given by Miss Mabel Smith and Thos. Johnston. That which always delights a crowd is violin music, which was supplied by Thos. Morton and son Alex. Mr. Caswell being topped with his accordion gave music which pleased the crowd.

Mr. Gramophone was there. He sang, laughed and whistled several songs. After the program being about over came the selling of the boxes, which were handsomely decorated for the occasion. Mr. Dunsen McLean was auctioneer. The boxes sold at a high price. This is certain proof that Mr. McLean makes a first class auctioneer. The committee that got up the program part of the entertainments are to be congratulated for the active part they took in making this social the very best in the record of the school.

Some of the sports around here took in the box social at Dorchester on the 28th of Feb. last, and report a good time.

Induction of Rev. Mr. Kendall.

The Presbytery of Saugeen met pursuant to adjournment in Amos church, Dromore, on Tuesday, Feb. 26th, at two o'clock, to induct the Rev. George Kendall into the Pastoral charge of Amos church, Dromore, and Knox church, Normanby.

On account of the recent storm the roads were very bad, but the day was beautiful and consequently a very large number from the congregations assembled, together with a goodly number from the surrounding country, filling the spacious church. The Presbytery, however, was not so well represented for various reasons, Mr. McNamara having sickness in his home could not be present. He was appointed to preach the induction sermon, Mr. Farquharson, of Durham, who was appointed to address the minister, is laid up with la grippe, and has been unable to leave his bed since Friday last. Mr. Hanna, of Mt. Forest, is also unwell, and Mr. Reid has sickness in his home. So there were only two ministers present and three representative elders, Mr. Russel, of Esplin, Mr. Waddell, of Holstein, and Mr. Allan, of Normanby.

Rev. J. Little, Moderator of Presbytery, and Rev. J. P. McInnis, of Cedarville, Mr. McInnis took the opening part, reading the scripture and prayer. Mr. Little preached and induced. Mr. McInnis addressed the people, and Mr. Little the minister. After the very solemn induction service, which was listened to with great interest and attention, Rev. Mr. Kendall was introduced to the congregation by Robert Renwick, elder, and Mr. Little. After the service a magnificent dinner was provided by the ladies of the congregations in the basement, to which all were invited. The tables were loaded with good things, and after three hundred hungry people had satisfied their hunger man there seemed to be no lack but enough for hundreds more. A most sociable hour was spent, everybody being in the best of humor, rejoicing that they had a new pastor now settled over them. Mr. Kendall begins his work there under most encouraging circumstances. The people truly gave him a right royal welcome. The manse is being fitted up in a way that does credit to the people, showing their interest in the comfort of their pastor, and we know that in the not far distant future they will have one of the best—if not the best—manse in the Presbytery. A very pleasing feature of the social part was an address read by Reeve Hattie to the retiring moderator, and a check was presented to him by Mr. Findlay, Treasurer, handsomely rewarding Mr. Little for his labors during the vacancy. The Presbytery and community most heartily wish the congregations and pastor God's richest blessing in coming days. Following is the address:—

To the Rev. Mr. Little:—
We, the members of Amos church, Dromore, and Knox church, Normanby, desire to express to you our appreciation of your labors as moderator pro tem. You have not spared yourself, and have done much to infuse new life into us. We pray that God's blessing may remain with you in your field. We ask you to accept this cheque as a slight token of our appreciation.

Signed on behalf of the congregation.
Walter Hastie, Richard Barber, —Leader, Holstein

—A terrible holocaust occurred in a Protestant school in Montreal. The building took fire and before warning was given stairways were shut off by fire and smoke and dozens of children 6 to 10 years old on the 3rd storey and no means of escape. Their teacher, Sarah Maxwell, from her perch on the 4th storey, ran at the first alarm to save the children and passed out 40 of them through the window to the firemen who had now come with ladders. She was then urged to save herself but refused, going in search of more and was overcome, her body was found and 16 little tots beside her. Her feat has thrilled all Canada and a Maxwell memorial is being planned. With outside fire escapes all aoid have been saved.

THE TIME TO SAVE.—St. Catharines Star-Journal.—In these days when the increase of wealth in Canada is phenomenal, owing to western development, the contributions of our mines and the development of other of our magnificent resources, it is important that every Canadian, especially every young Canadian, should ask himself seriously what he is doing with his share of general prosperity, and whether he is throwing it away in high living or carelessly letting it run out through his fingers in a thousand and one unnecessary little expenses, by which it is lost to him forever. . . . A few dollars in a savings bank or in a safe investment, or in a home, is as good seed as ever was sown. Out of it grow quickened energies, firmer courage, more stalwart thought and hope, more orderly citizenship, education for the children and the independence and self-respect that lift aimless, hopeless drudges up to true manhood and true womanhood.

HYMENEAL

KERSTINE—McPHAIL.
On Feb. 26th, at twelve o'clock noon, at the home of the bride's mother, Miss May McPhail, second eldest daughter of Mr. Robert McPhail, became the wife of Mr. Sebastian Kerstine, one of Bram's most prosperous farmers. Rev. Thos. Wilson, of Knox church, Walkerton performed the ceremony. The bride looked charming in a pearl grey suit. The bride and groom were the recipients of many presents showing the esteem in which they were held by those present. Mr. Robert Merchant officiated at the organ, Mr. Charles McDonald of Paisley gave some selections on the pipes, and a very pleasant evening was spent. The young couple have the hearty good wishes of a large circle of friends.—Com.

DRIMMIE—SINCLAIR.
On Wednesday February 27 Rev. Wm. Cassmore performed the ceremony which united in the holy bonds of matrimony two of the most deservedly popular young people of the Tevill Methodist church namely, Mr. George Drimmie and Miss Bee Sinclair.

The marriage took place at the home of the bride's parents Mr. and Mrs. John Sinclair in the presence of a large company of relatives and friends. The wedding gifts were exceptionally beautiful and valuable.

Mr. and Mrs. Drimmie will reside on the homestead on the 16th concession.

This is a sort of topsy turvy world. No one seems to be satisfied. One man is struggling to get justice, and another is flying from it. One man is saving up to buy a house and another is trying hard to sell his dwelling for less than it cost to get rid of it. One man is spending all the money he can earn in taking a girl to a theatre or show and sending her valuable presents in hope that he may eventually make her his wife, and his neighbor is spending all the gold he has saved in trying to get a divorce. One man pays for his paper in advance because he can read it with greater relish. While another takes it four or five years without paying one cent for it and enjoys it hugely all the while. Surely a queer old world this is.

Remember the place—G. Lawrence's old Stand

The excitement of license transfers in Toronto is not abating. It is abundantly clear that paragon influence is rampant, equal to the worst charged under the old regime, and it is also clear that a little fortune is within reach of the man who can keep his license for a few years. Too often however he has to "divvy up" with men of reputed influence. Commissioner Starr has a big work to do and it is to be hoped he will do it thoroughly, sparing, no one.
