Germany and Austria are said to be lining up beside Russia in opposition to the proposition by Great Britain and the United States to discuss at The Hague peace conference the question of limiting armaments. They may for the the seat of religious authority is within (not present render concerted action toward without) the human soul. Individual man is disarmament impracticable, but even the

To lessen the danger to children in case

The Pennsylvania Legislature is conidering a bill to fix the punishment for burglary so as to discourage that form of crime. It is proposed in the bill that our divinity and our oneness with God, and shall be sentenced to life imprisonment. The burglar is usually ready to commit murder. He deserves to be dealt with severely.

Commissioner of Public Safety Smith, of Schenectady, N. Y., is considering the question of providing policemen who patrol the outlying districts at night with dogs to aid them in running down the evil doers. The experiment, it is said, has been tried, with considerable success in Europe. In the cities of Belgium-Antwerp, Brussels, Ghént, Liege and others-the dogs have been found very

locomotives and multiple unit trains ference of \$1,144 per mile.
