The 24th passed off quietly, a good game of baseball being played in the afternoon on the Ball grounds with quite a large crowd in attendance. In the evening Carey Bros gave their moving picture entertainment under the auspices of the Public Library. It was an exceedingly interesting concert and the large audience was well pleased. Almost \$40 will go into the Library treasury as a result, the gross proceeds being \$70.

She leaves a husband and four small children who have the sincere sympathy of the entire community in their very sad bereavement. The funeral which was largely attended was held on Sunday afternoon to Reid's cemetery. Revs Cassmere and Little conducted the service which was a very impressive one.

The Methodist church is undergoing a very thorough renovation at the hands of artist Vanderfeen of Toronto, who has the job of decorating the interior. The reopening will be June 9th and services of a specially interesting character will be held.

Mr Vanderfeen also received the contract for decorating the Presbyterian church work which will commence as soon as the Methodist church is completed. Several hundred dollars are being spent and the result will no doubt be handsome.

The W. F. M. S. of the Saugeen Presbytery held their annual convention here in the Presbyterian church on Tuesday. A large number of delegates attended and the three sessions were of a very profitable and interesting nature. Miss Goodfellow a returned missionary from India gave several addresses.

Hopeville

Sudden death. The twin boys of Mr Peter McArthur, having been ailing for some few days but not thought to be dangerous, took suddenly ill on Monday night, the 20th and died within a few minutes of each other. They were about nine months old and were buried at Priceville on Wednesday the 22nd. Much sympathy is felt for the bereaved ones.

A bad accident happened last week to Mr H. H. Culp a young man, that lives between here and Coveville, while teaming lumber from Dezell's Mill to Mt. Forest. He had a spring board on top of the load that he sat upon. It had slipped going over some rough place and he fell off the wagon, the load running over him, breaking his jaw in several places. He was soon found by a traveller who acted the good Samaritan and had him conveyed to a near by house, he has been since removed to his father's home on the town line and as we write, we believe he is in a very bad state, only a chance if he gets over it. Much sympathy goes out for poor Herbert as he was often called, and for his people.

Proton council met as a Court of Revision at the Bilton house, Hopeville, on Saturday the 25th, and had a very busy day. About 30 appeals had to go through and some of them took up a lot of time, being lengthy. The valuating the farm building in a separate column and separately caused more work. The meeting adjourned till the 6th of June, about 9 o'clock at night. Among those from a distance were Dr McFayden of Mt Forest and also from Cedarville, Egerton, Keldon and Riverview. The bonus of 30 cts per rod for wire fences on the west and north side of high road has proved a paying affair and a number of farmers are putting up some this summer.

North Egremont.

Saturday night last sparks from some burning brush set fire to the old house on Mr R. Buxter's farm and before anything could be done it was burned. There were no contents of consequence, it being unoccupied, but some valuable lumber, siding, etc. was destroyed. It was over 30 years old.

A gathering of warm hearted neighbors met at the home of Mr D. McLean, of the sawmill, Thursday, 23rd inst. to bid him and his sister a good-bye and give them tangible testimony of their regard. Mr McLean was presented with a gold watch-chain and locket, a cash box and shaving outfit. Miss McLean's present was a silver bake dish and spoon.

The following address was presented:

Egremont, May 23, 1907
To Mr Duncan and Miss J McLean:

DEAR FRIENDS: It is with feelings of deep regret that we your friends and neighbors realize that the time is close at hand when you will depart from our midst after a short sojourn amongst us which we trust has been as pleasant to yourselves, as it has been to the people of the surrounding country.

We take this opportunity of meeting together with you to show our esteem of you and our appreciation of your good citizenship.

Your business transactions since coming to this part have been such as to merit for you, the highest esteem of all who came in contact with you, while your generosity and integrity has caused us all to value you for your sterling worth.

The interest you have always taken and the liberal assistance given to things pertaining to the future welfare of our neighborhood has manifested the true public spirit and unselfish nature you possess, while your many kind acts and good social qualities has contributed much to the happiness of us all.

In order that your few years' stay amongst us may not be forgotten we present you with this bake dish and spoon, watch chain and Masonic locket, Cash box and shaving set, by which you will give us a place in your memories.

In your new field of labour where ever it may be we wish you every success and prosperity and trust you may long be spared to wield the same good influence in other parts that you have done in this and when parting is no more may you rest from your labours in that Heavenly land where the good and the true shall receive their full measure of reward. Signed on behalf of neighborhood. SAMUEL RITCHIE, WM. DAVIS, W. JAS. MACK

Mr McLean replied appropriately to the warm address read by Mr Jas. Mack, expressing his appreciation of their kindly gifts and the pleasure he had had in their neighborhood for the past 3 1/2 years.

An impromptu program was carried out successfully with Mr Samuel Ritchie in the chair. Violin music was

contributed by Messrs David and Geo. Hooper and Jas. Hargrave. Recitations by Miss Clara Ritchie and Mr S. Scott and a fine duett by Mr and Mrs Chas. Gray were notable features. Your correspondent can bear testimony to the high estimation in which Mr McLean is held in this community and the satisfaction he has given to the public at large. We regret our information of the event did not reach us in time to enable us to be present. We certainly should have added our quota in appreciation of the recipients' worth.
