### Is \$15 your price for a Spring Suit?

Then we should like to bar a into your brain the fact that for \$15 you can get all the style and as perfect a fit as can be put into a suit—as much as if you paid \$28. Of course the cloth is not so fine, nor the trimmings so luxurious, but every other way the \$15 suit is identical with the highest cost clothing.

### Dominion Day

The Sons of Scotland committee have this year secured as their main attraction the far famed band of the 88th Highlanders, not the pipers alone, but the big brass band, including a great variety of instrumentals, singers dancers, &c.

### Won Two Districts.

The Durham Junior and Intermediate lacrosse teams have the unique distinction at this early date of capturing both their districts. In the Junior Series, Mt. Forest and Grand Valley dropped out, leaving Durham and Arthur to battle for supremacy. Owing probably to their decisive defeat in Drayton on Victoria Day, Arthur intimidated last week that they are also out for the season. Our Juniors therefore are without a series at present. They have proven themselves a fast, winning bunch, and will keep in condition in the meantime while awaiting further developments.

As Warton has dropped out of the Intermediate district west of us, leaving only Chesley and Hanover, our Intermediates are planning to fill Warton's place, and a meeting has been called in Hanover for Wednesday night to arrange the schedule. In this event, Matheson and Cowan will again throw in their lot with the Durhams. It is to be hoped satisfactory groupings can be arranged for both clubs, and with two C. L. A. teams, and strong ones at that Canada's National game will certainly boom in Durham this summer.

### Grey Deanery

Durham, May 30th.—The Grey Rural deanery meeting convened at Durham on Tuesday and Wednesday.

The opening meeting was held in Trinity Church on Tuesday evening at which Rev. W. J. Connor a former rector preached an excellent sermon on Matt. 10:20—end. The clergy of the deanery take part in the service.

On Wednesday morn Holy Communion was administered by Rural Dean Ardill assisted by Rev. A. A. Bice. There was a good attendance of delegates and members present.

Rev. W. G. Reilly then conducted a Sacred Study of John 15 in the original. Considerable discussion followed. The meeting then adjourned for dinner at the rectory.

The afternoon session opened at 2:30 o'clock with Rural Dean Ardill in the chair.

Much discussion arose and much benefit was derived from treating with such subjects as the Church, Census, Mission Collections, Immigrants, Y. P. A.'s, Jubilee Fund, W. A. M. A., S. S. Conventions, &c.

Rev. A. A. Bice, Rector of Durham, was elected Secy. of the Deanery.

The Rev. J. McQ. Baldwin, as missionary at present on furlough from Japan then addressed the meeting at some length on the life and customs of the people of Japan. He also illustrated from a map the different missionary jurisdictions of the country and explained the work of the church in each.

Rev. J. Ardill, R. D. then following with an address on the position of the clergyman with society. Much discussion followed and the afternoon session full of help and encouragement, was brought to a close.

In the evening an illustrated lecture on Japan was delivered by Rev. J. McQueen Baldwin of Japan, in the Town Hall, to a very appreciative audience and this brought one of the most successful meetings of the chapter to a close.

The next meeting will be held D. V., in Owen Sound.

A. A. BICE, Secy.

### Big Surpluses Each Year.

The Liberals during their first year of office succeeded to a Conservative deficit of \$319,081, but by next year all this had changed, and from 1896 to date the Liberal administration of public affairs has resulted in the following substantial surpluses:—

1897-8	1,722,712
1898-9	4,837,749
1899-1900	8,054,714
1900-1	5,648,333
1901-2	7,291,308
1902-3	14,345,169
1903-4	15,052,974
1904-5	7,863,039
1905-6	12,898,719
1906-7	15,500,000
Total	893,218,894

This satisfactory condition of affairs can only be accounted for by intelligent and honest management of the country's business. It supplies in addition the best possible evidence of the prosperous condition of the commercial affairs of the Dominion.

### Recruiting

There is still room for a few desirable recruits for the Coy here. Those desirous of attending camp Niagara for the last time should apply at once. Members of Coy must report to Capt. O. M. Snider, or Dr. A. McLaurin or E. M. Wolfe, Lieut's, Durham. Drill Saturday evening at 7.

Presbyterial W. F. M. S.

The evening meeting at Holstein was a great success. Rev. Mr. McInnes was in the chair, and quoted incidents to show that money spent for missions was like bread cast upon the waters, it returned manifold.

Rev. Mr. Kendall presented the report of the Pres. Union and conveyed the thanks of the Presbytery for noble work done. Contributions by the whole society amounted to \$105.25 per month.

Miss Goodfellow expressed pleasure at the appropriate music before entering on her address on India. They were the same people as ourselves in the early ages but had drifted into degrading ways. The present unrest and rebellious feeling was partly due to past misconduct of British Soldiers, and the feeling was more against the authorities than the missionary. Drink was the curse of the country and to the credit of the native press it took graphically she outlined the cruel customs, the degrading of women, the curse of caste, polygamy, &c. There were over one million Christians in India, but more were they among its teeming millions. Many other striking facts gave opportunity for a strong plea for more liberal giving.

Miss Calvert, Dr. Brown and the choir contributed ably to the musical part.
