Is \$15 your price for a Spring Suit?

Then we should like to burn into your brain the fact that for \$15 you can get all the style and as perfect a fit as can be put into a suit—as much as if you paid \$28. Of course the cloth is not so fine, nor the trimmings so luxurious, but every other way the \$15 suit is identical with the highest cost clothing.

BORN.

VESSE.—In Glenelg, on Wednesday 5th June to Mr and Mrs Wm Vessie Jr., a daughter.

HYMENEAL.

The following from the Cheboygan Tribune of last week refers to a son of Mr. Robt. Adlam of this town:

ADLAM—PENOVER.

At the home of the bride's parents, Mr. and Mrs. Sterling A. Penoyer, Cleveland avenue, east side, Wednesday evening, June 5th, 1907, at 8 o'clock, Rev. Jas. E. Fryer united in marriage Miss Lulu Penoyer and Arthur H. Adlam. Miss Laura Adlam, sister of the groom, was bridesmaid and Herbert Penoyer, brother of the bride, best man. Only immediate relatives and intimate friends of the contracting parties were present. A delicious wedding supper was served and the couple received warm congratulations and best wishes for a smooth sailing on the sea of matrimony. The bride is a popular young lady among a wide circle of acquaintances and the groom is known as a steady, industrious young man, who has been employed by the Cheboygan Paper Co., for a number of years. For the present they will board with Mrs. Lewis, on South Huron street.

En Route with the Volunteers

The presence of the Regimental band on this occasion is giving an eclat to the outing it has not had for some years and to all is highly delightful. Two more bandmen got on at Mt. Forest and there may be one more yet. We go to Niagara by boat we learn, much to the pleasure of all.

Bandmaster Yirrs and his band filled in the time agreeably at Palmerston, where a crowd assembled to hear good music. The boys are in fine spirits, well behaved and pleased with the generous way the band deals out music along the route.

Capt. Snider is in command as of old, with Lieut. Dr. McLaurin and E. Wolfe. Along with the company this time is Lieut. R. Torry, an enthusiastic military man and an old timer who makes a good drum major. Staff Sergeant Wm. W. Bamage is also in the crowd. The others who go from Durham to the tented field at historic Niagara are:

Corp. D. Allan, Ptes. A. Anderson, V. Casar, W. Darby, R. Davis, A. Henderson, H. Moon, J. McArthur, J. McCracken, H. McLan, Chas. Saunders, P. Vollett, Bert Whitmore, Harry Wilson, with Bugler B. Hartford, I think I have mentioned all.

This we understand is to be the final camp at Niagara and perhaps it is well that we should not flaunt our warlike trainings in open sight of the nation we have most dire dealings with, though no Petawawa or other camp can ever impress the young volunteer to the same degree as old Fort George and Queenston Heights where brave British men and Canadians fought and died.

Durham Gets the Band

Once more the 31st Regiment band moves. It has been doing quite a bit of that lately. A few weeks ago it moved from its old quarters further up the street. When that change was made, the management of the new grant and had every expectation of receiving it. They expected to be able to uphold the reputation of the band, by strengthening the band, with the funds they would have from various sources. But things did not break up for them. Learning that the grant would probably be divided, and seeing that it would be difficult to say the least, to carry out the programme without the "sinews of war" they decided to abandon it. A good band or none was their motto. So they handed in their instruments. The matter was open again, several applications came in, of which Durham's was considered the best, so yesterday the instruments went back to Durham, whence they came to Owen Sound several years ago. They will probably remain there, for this year at least.—O. S. Sun.

The General Assembly

Rev. Dr. Campbell for over 40 years a minister of a Montreal congregation was elected Moderator of the General Assembly. There has been some stirring debates and a little breeze created because amongst the enemies of the Christian life, intolerance was put before graft. The subject of Home Missions in our great and growing country, received of course, much attention. The human side of the Ministerial calling was in evidence in the discussion on the minimum salary question. This minimum was raised to \$2000 though some wanted it placed at \$1000. In justice it should be said that elders as well as ministers favored more liberal things. The presence of Missionaries from India and Korea gave point and flavor to the Foreign Mission discussion. This annual "Parliament of Religion," is a mighty force in Canadian life. The debate on union revealed considerable divergence of opinion.

Poplar Hill

Miss Eva McAlister is spending a few days with Harrison friends.

Miss Della Vollett took in the excursion to the Agricultural Institution at Guelph.

We regret very much to hear that Mr. Henry Petty who lives with his son Robert in Varney, and who was for many years a respected citizen here, is very low at present and little hope is felt for his recovery.

Mrs. Albert Marshall spent a few days with her father at Varney last week.

Mrs. Robert Morice and family took the Guelph excursion and stayed over a few days with friends in Fergus.

Mrs. A. Vollett is recovering nicely from another attack of sickness.

Mr and Mrs J. Morice visited a day last week at Mr. Win Petty's.

Mr and Mrs John Backus spent a few days of the week with the latter's brother Mr. John Adlam who is very seriously ill at present.

The MacKenzie Bros had a very successful raising last Thursday to replace the magnificent barn which was destroyed last fall. The new one will in every respect be as up-to-date as the old one. The block and tackle method was used in raising it and as this was its first appearance in the neighborhood the men did not thoroughly understand the working of it and what might have been a serious accident was averted when one of the ropes was loosened and part of the structure fell, as it was no one except Mr. Noble was hurt, receiving a few bruises. Every one here likes the method and no doubt it will be adopted in the future.

After tea sides were chosen and a very keenly contested game of football was played.

Miss Adair was unanimously chosen to represent the Endavor here, to give a paper at the Convention to be held in Mt. Forest.

A meeting was held to arrange for a union picnic for the Knox Sunday School and 88 No 1, Normanby. It was decided to have it on June 28th.

Committees have been appointed and every step taken to make this the star picnic of the season. Every person will be welcomed and a good days' entertainment will be provided, consisting of games, refreshments, a very long and interesting program which is being prepared will be furnished. The Durham brass band will be in attendance.

NEW TYPE.—Several new fonts of type have recently been added to the already large assortment at the Review office. We have choices of three or four styles all suitable for wedding invitations. Prospective June brides or their friends should call and see samples.

Dominion Day

The Sons of Scotland committee have this year secured as their main attraction the far famed band of the 48th Highlanders, not the pipers alone, but the big brass band, including a great variety of instrumentals, singers dancers, &c.
