Is \$15 your price for a Suit?

Then we should like to burn into your brain the fact that for \$15 you can get all the style and as perfect a fit as can be put into a suit—as much as if you paid \$28. Of course the cloth is not so fine, nor the trimmings so luxurious, but every other way the \$15 suit is identical with the highest cost clothing.

A meeting of those interested in the closing of the townline between Glenelg and Arden was held Friday night last in Union Hall. In this town the vote stood we understand a tie and the chairman gave the casting vote in favor of closing that part south of the railroad track to the old Durham Road. Whether this action is going to be a benefit to the public in general time will tell.

Hopeville.

The Sunday School picnic here was a success, the children, parents and teachers turning out well and every body enjoyed themselves. The Rev Mr McInnis, the pastor, was the busiest one there. The day was fine and all were well pleased with the day's outing. In the evening a football match was played between Swinton Park and Ventry teams. Ventry not having much practice and most of their members being new men Swinton Park team won by three goals.
