FALL MILLINERY

Our Openings last week were a pronounced success. The many ladies who visited our show-rooms were satisfied that we had a showing of Millinery equal to any city for style and quality but much lower in price. Our stock is composed of the very latest Paris and New York shapes that can be procured including all the

Newest Shades in Leather Brown, Bronze Green, Wine, Navy, White, and Black smartly trimmed in the most artistic fashion.

LADIES' MANTLES

The largest range of Mantles we have ever had in our store are here for your inspection and when you see them you will be convinced that they are the right style and the right price. We have them in

Black, Fawn and Navy Beaver Cloths and stylish shadow - plaid effects in Tweed.

Is \$15 your price for a Suit?

Then we should like to burn into your brain the fact | week. that for \$15 you can get all the style and as perfect a fit as can be put into a suit—as much as if you paid \$28. Of course the cloth is not so fine, nor the trimmings so luxurious, but every other way the \$15 suit is identical ing. with the highest cost clothing.

Hopeville

Proton council held a meeting in Dundalk on Monday 16th and did a considerable amount of business, several old disputed questions of years standing, were settled.

The Hopeville church people have had some leading minsters here and very successful meetings were held. Death has been busy here the last

week. Two of Mr John Abott's sons went to the north west some time ago and his second oldest son William took sick and died suddenly, the body arrived home to his fathers on Monday evening 16th. The funeral was on Tuesday 17, to Bethel church yard, and was very large, much sympathy is expressed for the sorrowing family.

Mr James Buckley one of the old pioneers of the 1rish settlement passed away on Monday the 16th at his home in the south of Proion, the funeral was on Wednesday the 18th to the R. C. cemetery and was the larg-est seen here for years. Mr Buckley was well known being a leading man in his church, the schools and in public life, he was a Ex-councillor of Proton and a J. P.
