A Double Life.

Owen Sound is stirred deeply by a case of wife, desertion and bigamy. The chief sufferer being Miss Margaret Weir, daughter of Mr Adam Weir, whose grandparents live near here.

The character of the scheming rascal is well shown in this paragraph from the sun of Oct. 1. "In order to put himself in as good light as possible with the relatives it is said that Richardson frequently carried a bible in his pocket, which he produced at times when it would be most effective.

For Miss Weir, nothing but the most profound sympathy is expressed. She is a favorite among a large acquaintance and is highly esteemed. There are hundreds in this town who

believe that the lynch law should be applied to the rascal Richardson. The greatest indignation is expressed on every side. Sympathy with his wife is also expressed. She is left with three children, the oldest 14 years of age, and the youngest a baby of five months.

This is not the first time Richardson has left his wife. Several years ago, it is said, he skipped out with another woman.

We are not in the political business, but we have a strong conviction that the Canadian Manufacturers' Association which is clamoring for higher protection had better let well enough alone. With the cost of all commodities steadily soaring, the people of Canada are not in the temper to submit tamely to be bled to the white for the benefit of the few. It is time for a change.—Presbyterian.

Obituary

Again we are reminded that here we have no continuing place of abode. One by one our members are passing away week after week.

This week we feel it our duty to give a short sketch of the life of one who reached the highest mark allotted man in the person of Margaret Black beloved wife of Mr John McPhail, of South Glenelg on the evening of the 30th Sept., after months of illness borne with Christian patience at the age of eighty years and four months.

She was born in the Isle of Mull, Scotland, in the year 1827. She sailed with other members of the family in the year 1845 to take a home in the new country, landing in Township of Vaughan, County York, after being a couple of months from the time they set sail in the old land till they arrived at the Con. of Vaughan to the residence of the families' uncle, the late Arch McDonald. After spending a couple of years in the township of Vaughan she moved to the township of Bentinck, near Dornoch where she married Mr McPhail 57 years ago both being 23 years of age at the time of their union.

Few there are to be found that had such a long life together, fighting the battles of life in prosperity and adversity for in the early days adversity had to be contended with for the conveniences that are in use to-day were very few and far between in the early days.

Mrs McPhail like many of her country women had to endure her own share of hardships of rearing a large family while living out a home in the woods of Glenelg where she and her companion resided for the last 57 years being 53 years on the farm where she ended her days. Mrs McPhail raised a family of six daughters and three sons. The sons are Hugh, near the old home, John who holds a responsible office in Duluth. One son died a few years ago at Duluth.

The daughters are, Christina, (Mrs. Chas. McDonald of Bruce,) Jane and Flora at home, Kate of Toronto, Annie, Mrs McDermid of Toronto and Effie, Mrs Neil McLean of the Soo. During her illness Mrs McPhail had the best of care and attention from her dutiful daughters who made all endeavors to soothe the pangs and pains of a beloved mother, but the hour of her departure was at hand and no earthly physician or remedy could stay the powerful hand of death.

To the bereaved husband more especially we vouch the sentiments of all friends and acquaintances in sympathy with him for in loneliness he has to travel the remainder of life's journey which according to the natural course of life cannot be far off into the future, but may be cheered with the hope of meeting his long life partner in the home of many mansions, in no more. The funeral on Wednesday, 2nd inst., at Priceville cemetery, was largely attended. Mrs McPhail belonged to the Presbyterian church, her pastor, Rev Mr Matheson preaching the funeral sermon from the words "In my Father's house are many mansions, &c."

The pall bearers were Arch McLean Malcolm McPhail, Jos Campbell, Don McArthur, Roger McEachern and John McDonald.

OBITUARY.—Last week's Stayner Sun has a notice of the death of Mrs. Wm McConnell, of Nottawasaga, sister of Mr. D. McFarlane, of Rob Roy, Glenside, Ont., which we quote: "She died on 25th Sept. at her home on 11th con. of Nottawasaga. Deceased was born in the Township of King in 1851, moving from there with her parents to Frontenac township, where she lived till her marriage on June 9th, 1874.

Mrs. McConnell was a woman of principle and good judgment with a love for all that was good and true which was highly respected by all who knew her. She was a pious and devoted wife and mother, and a kind and generous friend. She died at the age of 56 years, and was buried in the cemetery near her home. Her husband, Mr. D. McFarlane, is survived by her, and also by a large family of children and grandchildren. Her funeral will be held on Wednesday, the 2nd inst., at 10 o'clock, at the residence of her daughter, Mrs. J. E. McFarlane, of Frontenac township. The interment will be in the cemetery near her home. For further particulars apply at the REVIEW OFFICE. 41-6

Dromore.

Threshing is the order of the day around our burg this week.

Mrs Reilly and Will from Priceville attended Amos church Sunday morning and visited at the home of Mr and Mrs John Renton.

Rev. Mr and Mrs John Hastie, Belgrave, have been visiting friends in this vicinity the past week.

The Ladies F. M. S. purpose holding their thank offering next Sunday night, Mr Kendall will give an address and music will be furnished under the direction of Mr Ramage. All are invited to attend.

The Women's Institute held their Oct meeting at the home of Mrs Lothian last Wednesday. Topic was Thanksgiving Dinner and Salads. It was quite an interesting meeting.

The Thanksgiving Dinner was well discussed and Miss Agnes Benwick gave a splendid demonstration in making a celery salad, all enjoyed the demonstration, but I think the part each one enjoyed best was the eating of it. The November meeting will be held, the first Wed. in Nov. at the home of Mrs Hunter. Topic, Making Xmas gifts, and Apples.

How to prepare them for winter use and their value as a food.

Miss Maggie McLean is visiting Mrs Pat Mahon this week.

Mrs Wilson and Eliza visited Markdale Fridays Saturday and Sunday.

Miss Hattie Watt spent last week with friends in Owen Sound and reports having had a pleasant time.

Who says Dromore isn't growing. Why we had one more added to our population last Thursday. Although some of the Kenwicks have left Dromore, one came to stay, at the home of Mr and Mrs Robt Kenwick, Jr. a fine baby boy.

Foot-ball, Swinton Park team came down and played at the Foresters' Picnic and the committee were very pleased to have them. They say half their team were unable to go and they played some young fellows, now three men don't make up half a team, if some of the remainder of the team had kept cool and played ball instead of wrestling the score might have been different. The Dromore man that was played (A Kenwick) has been a resident of Swinton Park for three years and then kick him off the team because you got beat. Blame him and N. Campbell, why not put Goheen and Parslow off, if only boys.

The Dromore team had only three nights practice before the game, it was risky to play a team that had played three games besides practicing all summer. But we did not need practice very badly by the score. The writer of last week's budget forgets that four years ago in Priceville, only Swinton and Dromore were on the grounds in time to play at the set time, the management wanted them to start, Swinton said "No we came to play Proton first."

Were we to hear a proposition that time.

As for reversing the score, doesn't that seem windy, that's not crowing. Games in the past only two, last one, nine years ago and last one we were never wanted back. When Swinton team came to the picnic there was a rumor that they wanted \$10 to play. Would you have played any harder for that? There was no word of them not having their regular team on that day. The Dromore man was good enough to play in the other games but of course he favored Dromore picnic day. Dromore team look dandy on any grounds and always win away from home.

Edge Hill.

The Annual Meeting of the bearing was held on the 2nd inst, and everything was satisfactory. Mr Thos Turnbull was re-engaged for next year.

The threshing round Edge Hill is now completed for the season.

Mr Thos Firth left last week to resume studies at Toronto University.

A Lie Nailed

In contradiction of a report being circulated to hurt the Temperance cause in Durham the following has been received from headquarters in Owen Sound.

"Since the temperance people took over the Seldon House, there has been no liquor sold in the hotel. No one has been fined. This is one of the many reports that have been circulated by the enemies of the temperance cause. There is no foundation for such a report. You may depend upon it if anyone dared to do such a thing the Hotel Co. would prosecute them.
