In taking a backward look one is apt to make the remarks; how short a summer. Only a few months ago since it was warm enough to call it summer, and now we are into winter.

It will be remembered that on the 29th May last snow was piled up in lanes and fence corners to an enormous depth for the time of year and it was the middle of June before real summer-like weather arrived; however taking everything into consideration we had a beautiful summer and a pleasant fall. This is the 9th November and it was very rare to see in past gone years so steady a fall for there wasn't a single day that would stop the plow as far as frost and snow was concerned consequently those that are blessed with advantages above some of their fellow beings have all their fall plowing done and those of us that lack that privilege expect the Good Giver to keep the month of November in good plowing order. So that the race may be not altogether for the swift nor the battle for the strong for those that are behind are sure to catch up while the others are resting on their oars, etc. The complaint of stock feed is something unusual at this time of year, but should the month of November keep fine it will help greatly in shortening the feeding process.

In olden times when there was bush on all sides of the small clearing made by the new settler the cattle became so familiar with the sound of the woodman's axe that they would be off to the woods as soon as they would see their owner shouldering that useful piece of invention and kept themselves in good condition on browse and salt all winter, but we cannot depend on the woods for feed now and we hope there will be no necessity of repeating the doings of "Ye Olden Days," for it cannot be done as far as browsing is concerned.

Taking the country as a whole we believe there is more hay than last year. The trouble is with those that have an overplus of it. They want to keep it over till spring and probably expect a higher price than it is even now. This reminds us a story we heard of a wealthy old Scotchman whose residence is somewhere between here and Toronto Junction (but not in the County of Grey.) On a certain farm of some hundreds of acres of the finest land in York County, yielded abundantly, and the price of wheat was enormous being \$2.00 a bushel but Latchy would not sell at that price he anticipated he could see \$2.50 for wheat, but instead of prices going up higher they gave a sudden dip and besides the drop in the grain the price of feed to cause the wind to blow off some shingles above his granary consequently there was a continual drop there too so that poor Latchy had to sell his wheat for 75 and 50 cents a bushel after keeping it for years, but we need not take the foregoing as a precedent for we hardly expect hay to take a very big drop and we hardly think it will be any higher than now next spring. One thing sure the price of cattle will be up next summer and those that can afford to keep them will probably receive good prices.

Young pigs a month old can be had for 25 and 50 cts. apiece, not that they are more plentiful than last year, but those having them will do better by selling the grain they would consider till next summer. It will be remembered a few years ago that hay was selling at from 15 to 20 dollars a ton while oats were only from 16 to 20 cts a bushel but things are different this year oats and everything else is away up.

Now we must pass on to something else. We noticed a letter from M. K. Richardson Esq. M. P. in the Owen Sound Times concerning the actions of members of the Jury sent to the House of Refuge. We all know that Mr Richardson is a reliable man and we take it for granted that all those sent by the authorities of the Jury were reliable men also so the conclusion to be arrived at are that the inmates of the House must have told different stories as to the manner of treatment received, etc.

Died at his home, Vancouver, B.C. about a month ago, Wm Webster, son of the late Alex Webster of this village, aged about 36 years. Mr Webster was known in the town and many will regret to hear of his death. He visited Priceville a year ago last summer.

Trains are running regular now every day carrying gravel and the road is getting into good shape for running next summer.

Our town is full of Italians and it is as easy for an Englishman to learn Gaelic as it is for a Gaelic man to learn Italian.

We are told that Mr Bolger sold his hotel to be converted into a dry goods store.

Mr Dan McLean is also fitting up his part of the block with the intention of starting a grocery &c.

The Rev Mr Kipp of the Baptist church preached a suitable discourse on Thanksgiving Day in the Methodist church in this place.

We are pleased to hear that Mrs Dr Dixon is better after her illness of a few weeks ago.

The Rev. Walter Nichol (son of Mr & Mrs John Nichol near here,) was ordained into a charge in the town of

Holstein.

Last week's budget

Miss Tena Orchard spent the Thanksgiving holidays in London.

Miss Adams and Mrs Adams, of Toronto, are visiting here.

Mr and Mrs John Orchard, of London, were the guests of Thos Orchard this week.

Miss Ebel Sharp, of the Toronto College of Music, spent Thanksgiving at her home here.

Thanksgiving services were held in both churches on Thursday.

Dr Andrew Seim spent Thursday in Toronto.

Rev. Mr McKenzie, nephew of N. D. McKenzie, occupied the Presbyterian pulpit on Sunday.

The Christian Endeavor Society and Epworth League held a union service Sunday.

The Bible Study Class on Sunday afternoon at 3 o'clock is being well attended and the study of the life of Christ is proving very interesting.

Hopeville

The Rev Mr MacInnis came home from the West about two weeks ago. He is visiting his mother who was sick and other relations.

Mrs D Bilton of the hotel met with an accident by falling down stairs and breaking her arm.

Mrs. Geo. Russell who has been on the sick list is improving. Others on the sick list are Mr Arch Ferguson of Beer St, Mr Chas. Dezell's child, and Mr. Angus Ferguson.

Our village people have finished talking, about apple and other fruit stealing from gardens and now the talk is stealing towl and shipping them. We hope all is not true that we hear.

Edge Hill.

Mrs Robt Strafford, Allan Park, visited her daughter, Mrs Fred Staples last week.

Mr Herb Greenwood, who has been in Dakota since last summer, returned last week delighted with the country.

We are glad to hear that Mr Jas. Staples who was in a law-suit at Guelph came out victorious.

Mr Geo. Aljoe paid a visit to Markdale friends last week.

Mrs Harry Firth, from your town, visited friends around Edge Hill this week.

Mr Christopher Firth near Rob Roy, spent Thanksgiving Day with Mr Jos Firth, the postmaster.

Mr Tolchard, teacher of Lower Ritchie school, has moved up to Mr Wm Weir's house and we welcome him in our midst.

Stock Food and Veterinary Preparations

One Merchant remarked when he saw a shipment of STOCK FOOD and VETERINARY PREPARATIONS at our store lately that it was enough to supply all this country for 10 years, but he did not know everything, but we know what is valued in this section and are not afraid to put in enough stock to supply the wants.

If your live stock wants toning up, buy some of our STOCK FOOD, the best manufactured. It will save hay and oats, which is very expensive this year.

If your horse shows any signs of cold, buy some of our DISTEMPER CURE, and you will see good results immediately.

If your horse shows any signs of Heaves, buy a package of our HEAVE CURE. It has been known to cure numerous cases in this locality.

If your horse shows any signs of Worms, do not lose any time in securing a package of our WORM POWDER.

If your horse has a bruise, sore, flesh wound, external inflammation, sprain, barb-wire injury, swelling, etc., try a bottle of our SILVER PINE HEALING OIL. The most wonderful preparation known for MAN and BEAST.

If your horse meets with any injury that causes lameness try a bottle of our COMPOUND ABSORBENT, and you will be thoroughly satisfied.

If your horse is sore-footed, try a can of our HONEY TAR FOOT REMEDY, widely known for its virtue.

If your horse gets a sore shoulder try some of our GALL CURE.

If any of your animals or poultry shows signs of having lice, try some of our INSTANT LOUSE KILLER either in powder or liquid form.

If your cattle is affected with Lumpy Jaw, secure a bottle of our SURE CURE LUMP JAW.

We have other preparations of a similar nature too numerous to mention.

The New Railroad Bridge

Across the River in town is causing a great deal of talk since it was started. Many are predicting that it will not stand the test when the floods come in the Spring. Other that there will be a big jam when the freshet comes, and will be carried away. We would not like to have that come to pass but we would like to see people jam and fill our store and get the bargains we are giving in new Dress Goods, Furs, Boots and Shoes, Underwear, etc.

Come and see how we will manage to wait on you.
