Bible Society Meeting

In Amos Church Monday evening, 18th Nov., though only one day's notice was given, a goodly number turned out to assist at their presence and their interest in the great mission work of giving the bible to those who are in want and who know it not.

Mr. Jas. Snell, President, opened the meeting with praise and prayer, after which the choir gave at intervals thereafter, some appropriate selections.

Mr. Ashdown in his address said the keynote of the Society was "Advance," and the great outstanding means of advancement was the work of the colporteurs who by tact and patience presented the pure word of the bible.

The Bible Society has an income of \$1,000,000 for a number of years back there was a deficit, but now they were able to report a surplus of \$29,000 and Canada gave some \$14,000 of that.

Science of late had made enormous strides in wireless telegraphy, ballooning, etc., but the "flying roll" of God's word ages before these were heard of made conquests and even to-day was entering into countries like Italy, hitherto forbidden, but now priests and people are reading and allowed to read the word.

The bible never went wrong; Other societies, churches, professors, ministers, sometimes did; but this messenger of God was unerring and, therefore it should have a first place in our prayers and in our offerings.

Winter Millinery

LAST WEEK WE HELD OUR SECOND MILLINERY DISPLAY

It was as usual a grand success. Many came in to see the winter styles in fur and velvet. Since then we made a special trip to the city and brought back some very new ideas in how far and velvets are done.

We also bought a large stock of new goods at a great discount and will give our customers the benefit of it. Our stock is larger than before and a larger variety to choose from.

We will keep a larger stock of first class millinery all season. Our trade is so extensive we find it necessary to always keep on hand a grand supply of the best in Millinery.
