Sleighing all gone again but good sleighing. This is the season for sleighing, and the season for sleighing, and the season for sleighing.

The Anniversary held in the Baptist Church on Dec. 1st and 2nd was quite a success. The entertainment on Monday night, the 2nd inst., was good. Pastor Kipp was in the chair and besides the talent of being a good speaker, he is a first class singer also and the Fiesheron choir under his leadership rendered some fine Scotch music which was well appreciated by all countrymen but more especially by the natives of Scotia's shores being of more lively airs than the old Scotch psalmody and speeches by Rev. J. Berry and M. Wilson. Solos by Miss Wilson, recitation by Mr. Genos and little Miss Gladys Comfuld which was well rendered, also recitation by G. McKinnon. The evening was fine. The programme was interspersed by the Ladies providing the very best of eatables with extra good tea was none the less appreciated by some of the hungry audience.

Door keeper, D. Graham gave his figures to the chairman which numbered \$81.00 being the proceeds of the evening. After singing the national anthem and pronouncing the benediction the crowd went home and some didn't as it was natural enough for those buying a duplicate ticket to go the opposite direction from their own home.

Then on Friday evening next the 18th Dec. a grand Box Social will be held at Top Cliff School, Section number 10. As the young people of Top Cliff are generally noted for getting up a good entertainment we are assured that this one won't be any exception from former ones. Ladies bringing boxes free, but coming empty handed 15 cts will be charged. Gentlemen 10 cts. First class programme consisting of vocal and instrumental music seasoned with speeches recitations will enliven the evening's entertainment; and a good all round time may be expected. Auctioneer John Clark of Durham has kindly consented to give his services gratis for selling boxes &c.

We are pleased to see that Malcolm McInnes is around again after a severe spell of sickness.

Died at the four corners, Artemesia ten days ago, youngest child of Alex Muir, Heave of Artemesia, aged one year, nine months. Interment took place to Priceville Cemetery, Rev Mr Matheson officiating.

Some of those that were on the wrecked train at the Horse Shoe and escaped injury will be sorry that they didn't get a scratch so as to enable them to get a few thousand dollars. We heard some of the injured had refused to accept \$3000.00. This is a big sum to get in a hard year like this, more especially when out of danger and able to attend to business but the effects may be there all the same.

## Dromore.

The Annual Sunday School entertainment will be held in the Presbyterian church Priceville on Wednesday evening the 18th Dec. when a good and enjoyable time may be expected by old, young and middle aged. To the first and latter of those mentioned it will be a source of bringing them back to the days of their youth when there was no such thing as a Xmas or apple tree and no danger of partaking of unbidden fruit of any kind for there were no inducements as there were no crowded church entertainments &c. A programme in course of preparation.

The Misses McEachern, South Line, daughters of Roger and Alex Owen Sound.

Elsewhere this week before this gets into print we expect a wedding at Top Cliff or near by. Will tell you who the parties are next week Mr Editor.

The Trustees of Priceville School secured the promise of a Mr Morrison of Meaford to be Principal of Priceville School for 1908.

Trains are running regular from here to Durham so far, whether they will continue all winter we cannot tell.

Miss Tena McDonald, (Hughes) late of the South Line Glenelg, writes from Medicine Hat, Alberta, stating that she was just going to the General Hospital there, to be operated on for appendicitis. Many will remember Tena as a kind-hearted girl and we vouch the sentiments of all to hope that the operation was successful.

A successful gathering was held at the house of Mr Alex McMillan, South Line one night last week when all enjoyed themselves in measures running over till near the dawn of the next day.

## Dromore.

A School Concert will be given on the evening of Monday, Dec. 16th next in School No 18 Egremont. The Dromore Branch of Women's Institute, held their December meeting last Wednesday at the home of Mrs Bobt Benwick. There were over 80 ladies present. An interesting paper entitled "Children and Caddy" was given by Miss Ella Benwick. Mrs Kendall, Miss Agnes Benwick, Mrs Walter Hassie, and Mrs Andrew Henry brought some of their own make of candy to the meeting and told the rest how they made it. Everyone seemed to enjoy testing the candy. Miss Mary Taylor gave an excellent paper on "The House Wife's Christmas Gifts" and Mrs Kendall gave a humorous reading. It was decided to close the meetings for the winter months.

The W. F. M. Society intend holding the last meeting of the year, at the manse on Thursday afternoon. The election of officers for coming year will take place. The Ladies have decided to hold their meetings for the winter months at the homes of the ladies.
