Red Pheasants' Reserve, Nov. 18, 1907. Dear Miss Appiebe,-It is very comforting to know that we have someone interested in our work among the Indians. I am afraid that those people who say that the Indians are no good do not know much about them; opinions are often borrowed. When we came here we were told that the Indians were bad, and great beggars; this I found not to be so, and am finding out more and more that these people can be taught if we allow ourselves to be guided by God's word and ask Him for His strength to help us, with a single eye to God's glory. of War Taft.

A Strathroy despatch: Mary Featherstone, the oldest resident in Adelaide Township, who lived ten miles north of here, died to-day. Although her age was not definitely known, old settlers living around there claim she was an old woman when they were boys, and estimate her age at about 110 years. She was born in Ireland, and emigrated to Canada when a child. Miss Nancy Me-
