The annual Christmas Eve service at the Presbyterian Church on Wednesday night the 19th last was a most successful one. The choir under the leadership of Mr. Macgregor gave a most pleasing account of themselves. The service was well attended and the music was never better. The sermon was given by Rev. Mr. Macgregor and was most timely and helpful. The collection for the Christmas fund was \$100.00 and all went to the good use of the fund.

We solemnly certify the marriage of Mr. Tom McDougall and Miss Maggie Hooper in our hall on the 11th Dec. as seen in the marriage notice in the Review last week. Miss Hooper was a well known young lady who won for herself the highest esteem of all who formed her acquaintance being the youngest daughter of late Joseph Hooper long and favorably known on the South line, Glenside. Mr. Tom McDougall the young man of her choice has won for himself a reputation that qualifies him for lucrative position in life and his departure from amongst us will be greatly missed, as Tommy (as he was generally called) was a favorite with everybody. The marriage ceremony was performed by Rev. Mr. Matheson in the presence of immediate friends of the contracting parties. The groom was supported by Mr. Neil McKinnon, of Top Cliff while the bride was supported by her cousin Miss Clara Hooper both bride and bridesmaids appeared beautifully arrayed in garments equal to the occasion. The young couple left the homes of their birth carrying with them the best wishes of their many friends on the South Line and elsewhere on the voyage of life together. They took up their residence in the town of Dushan.

Mr. John Burnet, of the South line Ardena, is very low with pneumonia but latest reports state he has taken a turn and hopes are now entertained for his recovery although his life was despaired of a few days ago.

Mr. McIntyre, of the South line, is still keeping poorly and is getting weaker but we hope to see the venerable lady around again before long.

Miss Mary McEshern, who spent some time in Toronto, is enjoying the comforts of Home Sweet Home, for after all there is no place like the old home.

Miss Kate McIntyre, of Toronto, is home to attend her sick mother for a while.

Miss Gertrude McLeod, teacher of Hutton Hill, is spending her holidays at the "old" Manse at home with her mother, Rev. Mrs. McLeod.

Miss Nichol is also at home from attending Normal School.

Miss McComb, late teacher of Top Cliff, left for her home in Owen Sound on Friday the 20th.

Mr. Carmichael, Principal of Priceville School for the last three years, left on Saturday last to his home near Callingswood. He was the recipient of many tokens by way of presents made to him by his Sunday School Class and others before his departure. Mr. Carmichael, we understand, is to aim at something higher than a common school teacher in future.

As we are writing it is snowing at the rate of an inch an hour this Monday evening 23rd Dec. drifts in some places on sidewalks.

Election talk is generally indulged in at this season of the year. We don't hear anything about Ardena but in Glen-ig there is going to be quite a stir by all accounts. Mr. Tom Nichol announces himself as a candidate for the office of councillor and if elected will make a good representative.

Wishing Editor and staff and all readers far off and near at hand the compliments of the season i. e. Blessings, health, joy, and peace.

Master Hector and Donald McKinnon, sons of Postmaster McKinnon, who attend the Owen Sound Collegiate are home for the holidays. Also John MacArthur Jr. of Toronto, who is attending college, Toronto, is home for the holidays.
