Brampton, Ont., despatch: Jas. Curry, an old farmer, 80 years of age, was shot and instantly killed by his hired man, who was known as "Jack," about 10 o'clock last night. Mr. Curry's son was alone with the hired man when he was threatened by the latter. The old man, Falling Off in the Number of Barrels hearing the row, came into the room in his night gown, when the hired man turned the gun on him and shot and killed him. The man then threatened the son, who grappled with him, when the second barrel was discharged into the ceiling. The murderer was finally overpowered, and the neighbors were notified. He is an Englishman, about years old, and has been at Curry's only a month. His name is not known.
