Ben Nevis Camp Annual Concert to be held on 29th January inst. will be equal to the best of its predecessors. Read what was said of the performers about two months ago: "The most successful entertainment in connection with Camp Argyle, No. 28, Sons of Scotland, since in its organization, 850 and 900 people were packed into St. George's Hall, Bank street, to listen to a varied programme of Scotch songs, and instrumental selections, by a trio of real Scotch artists. They have been in Canada but two weeks and are touring Eastern Ontario just now. The three are: Gavin Spence, Edinburgh, tenor soloist; Miss Nannie Strachan, Galashiels, soprano and Miss Enid Newcombe, 'cello soloist. All three are first-class artists in their various roles, and, combined, they form a very strong entertainment company. Miss Newcombe in her 'cello solos gives a performance that is little short of marvellous. She produces a wonderful tone and all her numbers are given in finished style. Miss Strachan has a very sweet and yet powerful voice, and her 'character' songs are a feature, while Mr. Spence has an excellent tenor voice."—Ottawa Evening Journal, Nov. 1, 1907.

DOING FINE.—Writing on Jan. 1st from his western home in Sask., Mr. Timothy McKenna, formerly of Glenelg, says: "I thought I would write you and all my friends to wish you a Happy New Year and give you an idea of the weather here. It is very fine at present, frost at nights, but no sleighing, only 3 or 4 inches of snow which does for cutters. We had a wet summer, a fine harvest and full, had 1500 bushel of wheat, some oats and barley. We had the best wheat threshed around here this year. We are liking the country fine, told our wheat for 65 to 85 cts. and it we shipped to Fort William we would get \$1.05. Some wheat sold for 25 cts. Our horses are out every night and like it, fine water but have to go 96 feet. We are 40 miles from Mr. Geo. Twanley's place, and 8 miles from Weyburn. I would like to send you one of Mr. Gordon's calendars.

Obituary

Alex. Marshall.
Many friends will regret to hear of the death of this gentleman, one of the oldest settlers on the 3rd Con. of Normandy. He died at the home of his son Albert on Saturday last, an attack of pneumonia carrying him off in his 77th year. He was buried on Monday, 13th inst., in Maplewood cemetery amid many tokens of affectionate respect. His wife who was Miss Mary Caldwell predeceased him about 44 years.

Deceased was born in Glasgow, Scotland, and came to Canada 53 years ago staying round Hamilton for five years. About 1890 he moved to this county and has been here ever since, having cleared up the farm on the town line of Bentick and Normandy, where by his industry, he acquired a moderate competence, and by his upright character gained the love and respect of many neighbors and friends.

He leaves as chief mourners, one son Albert, on the home farm, two daughters, Mrs. A. Marshall, Durham, and Miss Barbara at home, and his deceased son widow, Mrs. R. Marshall, and family of Durham. See also Varney correspondence.

Mrs. Geo. Finney.
Very hard is the blow that has fallen on Mr. Geo. Finney, milkman, by the loss of his wife who died on Sunday morning last at his home in Glenelg. Some few months ago she went to Stratford hospital and underwent an operation for some internal trouble, but it was found that medical skill could do little more than relieve her and that ultimate recovery was not probable. Since the birth of her child last summer she has not been well, and some months ago it was given in charge of Mrs. McCreary where it is carefully tended.

Intense sympathy is felt for the bereaved husband who is not long out from England. He has approved himself as a good business man and a good citizen, and is highly respected by neighbors and customers, who will hope that a way will be opened for him to continue his business.

The deceased impressed all who knew her, even on acquaintances as a most estimable lady, fitted to adorn, as she did, the position of wife and mother, hence the grief at her early taking off. She was tenderly cared for several weeks before she died by her aunt, Miss Anthony of Philadelphia, and by Miss Ritchie, Glenelg.

The funeral on Tuesday was a remarkable tribute of respect to her memory and of sympathy with the bereaved husband. Trinity church was filled and the rector, Rev. A. A. Vice, read impressively the burial service and preached an appropriate and comforting sermon from the text, "Blessed are the dead that die in the Lord. &c." The remains were then taken to Trinity church cemetery, far from home and kindred, yet not forgotten.

George Sparling
Last week we announced the death of this gentleman, so long connected with the business and official life of the town. On Friday the funeral took place and the respect we wrote of was plainly evident in the obsequies. The mayor and council and ex-members who had sat with him were present in a body. Being a member of the I. O. Foresters the brethren turned out and gave him a Forester's funeral. His pastor Rev. Mr. Jamieson, of the Methodist church improved the occasion by an impressive address. Many friends of the deceased and of Mrs. Sparling were present who with the large company of neighbors and townsman, felt and expressed sympathy for Mrs. Sparling and daughters, Misses Bertha and Myrtle.

Relatives and friends from a distance were: Mr and Mrs Boundy, Hamilton; Mr and Mrs John Newton, Stratford; Mr Joseph Newton, Emportium, Pa.; Mr W. C. Newton, Detroit; Mr Geo. Shier, Brant; Mr Wm. Sparling, Traverse City, Mich.; Mrs. Calvin Sparling and daughter, Kingsley, Mich.; Mrs. Johannah Shier Woodham; Mr. Wesley Shier, Woodham; Mrs. M. M. Birtour, Woodham; Mrs. J. Spearin, St. Marys; Mr A. Coumpe, Woodham; Mr Geo. Shier, St. Marys.

The floral offerings were in great profusion showing the kindly feelings towards the deceased as they shined into memories. Amongst them were: Wreath from I. O. F.,

We quote: "I think a good many copies of the Review come to Port Arthur and it is almost as eagerly looked for as the Globe. Chas. McKinnon would rather miss his dinner than the Review. Dave McIntyre of Balsam Valley fame would upset the Post Office on the day it is due if it is reported missing and I usually call around that way myself."

Baptist Annual Meeting.

Tuesday evening the annual meeting of Durham Baptist church was held The finances of the church were found to be in a healthy state. Following the business a tea and social time was spent, an impromptu program followed composed of the musical talent of the church and addresses by Mayor Calder and Insp. Campbell.

Mr. Search spoke for the young people, Mr. John Brown for the Sunday School, but the event of the evening was the presentation by the ladies to Mrs. Newton of a Jardiniere Stand enclosing a check for \$40.00. Accompanying this was the following appreciative address, read by Mrs. Thos. McComb:

MRS. W. L. NEWTON,
DEAR FRIEND,

We, the ladies and friends of this Church and Congregation are pleased to take advantage of this fitting time and opportunity to express to you, in some degree, our appreciation of our beloved pastor, seeing the great services you have rendered our Church and Congregation, through your natural and highly cultivated talent of music, and also of the uplifting influence of your consistent Christian life in our midst.

This has been specially manifested in your patient forbearance and charitable bearing towards the many weaknesses we are painfully conscious of in ourselves.

Your faithful attendance upon every department of church work, in missions, Sabbath School, Young People's Society, Prayer Meeting, Ladies' Aid and all other work in our community, together with your ability, has profited all these causes. We therefore ask you to accept this small but tangible evidence of our esteem for you.

That many years of faithful service in the Master's cause may be granted you and our dear pastor to enjoy, is the earnest prayer of all concerned.

Signed on behalf of the ladies of the Baptist church, and congregation at Durham.
MRS. WM. MOFFAT
MRS. THOS. MCCOMB

Town Council
Inaugural Meeting.

Monday last the new council took the necessary declaration of the statutory hour and after appointing a distribution committee, adjourned to the evening.

Mr. Geo. Calder made the customary address to council and outlined the year's work so far as it shows up at present. Apparently there is to be a policy of promptness and quickness in operation and their confidence prominently in return all consideration. With unanimity as the watch-word the council should give a good account of themselves.

As before Reeve Saunders faces Mayor Calder. On the Mayor's right are: Ben Sharp, Ed. Kress, John Brown. On his left are: Clerk Vollet, John McLaughlin, Dayton Kinnes, Adam Robertson. As good a council as we have had for years, say those who know. On behalf of the town we congratulate them all on their winning and we hope at the end of the year to congratulate them on their work.

The committees as recommended by the distribution committee are as follows: FINANCE.—S. P. Saunders, John Brown, Adam Robertson.
BOARD OF WORKS.—John McLaughlin, B. Sharp, David Kinnes.
FIRE AND LIGHT.—Ed. Kress, A. Robertson, B. Sharp.
PROPERTY.—S. P. Saunders, John McLaughlin.
PRINTING.—A. Robertson, J. Brown, B. Sharp.
CHAIRTY.—Wm. Calder, S. P. Saunders, Ed. Kress.
COURT OF REVISION.—Wm. Calder, B. Sharp, Saunders, McLaughlin, Robertson.
BOARD OF HEALTH.—Wm. Calder, Gilbert McKeichie, A. C. Wolfe, R. H. Aikin.

stevens John A. Graham, President, and C. Babbage, Secy. of the Public Library were present as a delegation to petition the Council for a grant. They set forth its claim for recognition and the Council generously recognized it granting \$100, \$50 now and \$50 next September.

A number of acc'ts were presented among them two by local doctors, for treatment of a resident of Glenelg who met with an injury in town, the mayor, as it is a year, stood firm by the law, and no one man, nor even the mayor, could commit the council otherwise a serious precedent would have been established. As the party injured has expressed his intention of pressing the matter does not end there.

The filling of the various municipal offices created as usual, intense interest. Jas Davidson is caretaker Town Hall again at a small advance on last year. C. Rividge was the only applicant for Assessorship and asked a small increase in fees, which the council were not willing to grant. Mr. Hawthorn, school caretaker, was appointed trustee in charge of the small appropriation of \$5. No fewer than five applications were in for constable, but the struggle narrowed down to last year's officer, Mr. John Clark and to the old incumbent, for many years, Mr. Jas. Carson. The council who recently came home from Manitoba and its still to have his citizenship with us. He is also appointed Medical Health Officer.

Two new applicants for the running of the idle Cream Separator works were on hand, each with a proposition. Mr. John Shier on being secured of title will pay \$500 down, pay \$500 a year till 1914 and will then pay off the balance of \$2500. Mr. Frank Vickers makes a somewhat similar proposition but wants to make annual payments till all is paid off. Each asked for an extension but the council having already given 4 years, would agree to be accepted if everything else be evened. To settle this knotty question another meeting is to be held on Monday next, so the councillors are going to earn their wages!

Accounts were passed as follows: C. Elvidge D. R. O. \$1; poll clerk \$2; Constable \$1; booth \$2; Jno. Smith, D. R. O. \$4; poll clerk \$2; constable \$1; poll clerk \$2; constable \$1; G. Kress, \$2; C. Elvidge, printing & advertising press \$50; W. B. Vollet, sale wood \$4, expense of 1907, \$25; W. B. Vollet, \$5; W. Walpole, cartage \$1; W. Black, secy, \$2.71; sundries ac. \$30. Total \$125.84.

A Happy and Prosperous New Year
to one and all.
