

Synopsis of Canadian North-West HOMESTEAD REGULATIONS

Any even numbered section of Dominion lands in Manitoba, Saskatchewan, and Alberta, excepting land not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age...

Mulock

Owing to the roads being blocked there was no service here on Sunday. Messrs Squire and McCallum had the sawing machine for a couple of days and have their winter supply of wood ready.

Obituary

MR. THOS. SCARB. Regret was general last Monday as it became known that death had called Mr. Thos. Scarb, Sr., after an illness of a few weeks from water on the heart.

Durham School Board.

The regular monthly meeting was held on Thursday evening last. The Principal handed in deposit receipts for pupils' fees for January amounting to \$55.25.

Dromore.

Our village was rather quiet last week, owing to the stormy weather, no mail for four days. Things are getting lively again as roads are being opened and the weather is bright again.

THE SOLE OF A SHOE

is the part subject to the most wear. You will find the soles of all shoes sold here to be made of the

Entricken & Sewell

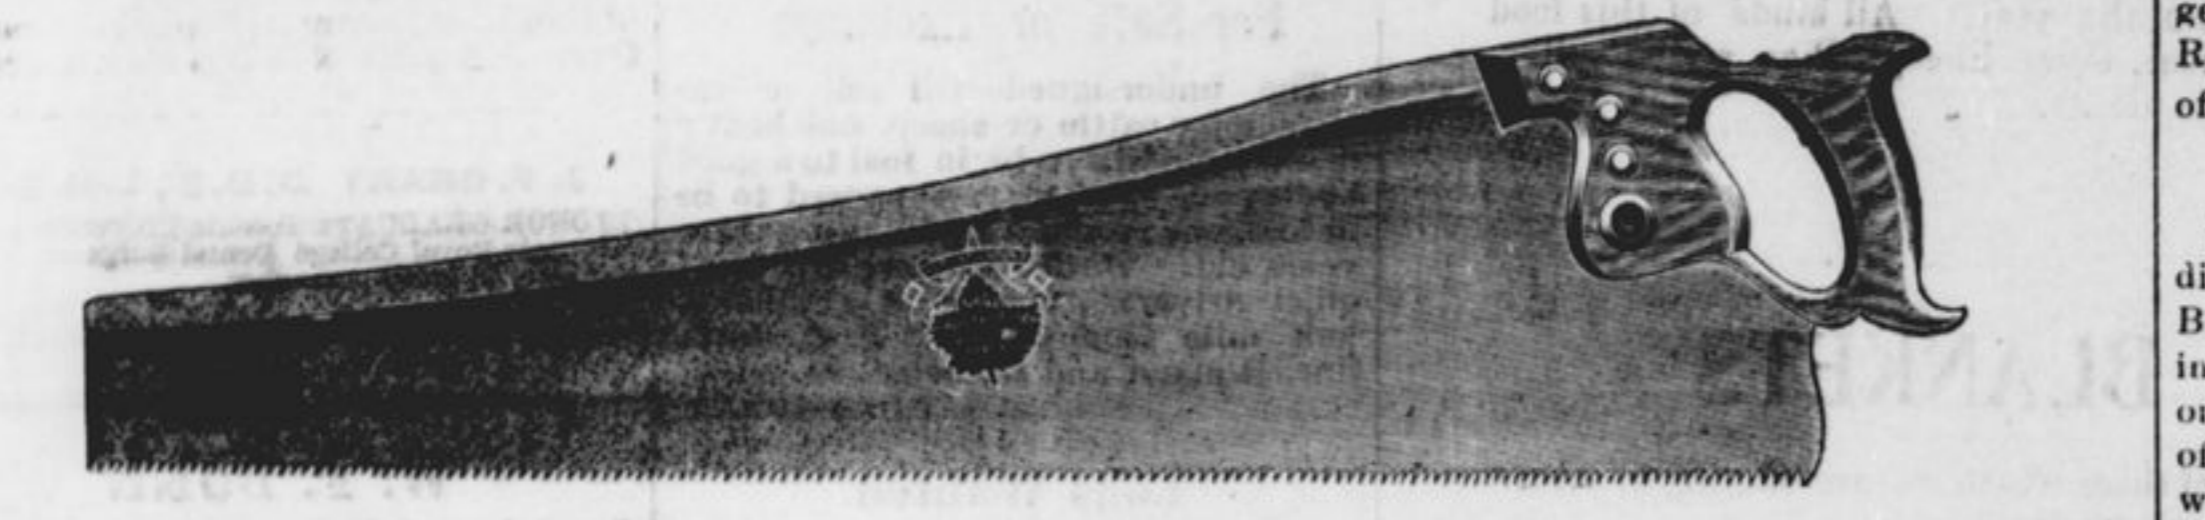

BEST OAK TANNED LEATHER which means that in addition to style and comfort you get long wear out of the shoes bought here. You could afford to pay a little more for such shoes, but we don't charge that little more. Our prices are as low as the lowest.

Fire! Fire!

The weird cry which we all dread--how are you prepared to meet it? Every home should be equipped with a fire extinguisher, because water is not strong or effective enough, especially when oils or combustibles are ignited.

"A Kingly Gift" EARL GREY'S APPEAL On behalf of Needy Consumptives Strong words of Canada's Governor-General

At the official opening of the King Edward Sanatorium for Consumptives, near Toronto, His Excellency delivered an address that must have an important bearing on the future of the sanatorium movement in Canada. We quote:--

"The proceedings this afternoon commenced with a beautiful and reverent prayer from your old friend, Dr. Potts. He prayed that the light of the Lord might shine upon us. That prayer is abundantly answered. He also prayed that the White Plague might be removed. Well, whether that prayer will be answered or not depends upon yourselves."

On his way out to the King Edward Sanatorium,--so named by permission of His Majesty King Edward VII--the Governor-General's car was stopped in its progress outside the Canada Cycle & Motor Co. by a large crowd of its employees. A contribution of one hundred dollars was handed the Governor-General, a donation to the Toronto Free Hospital for Consumptives.

"'Twas a kingly gift" said His Excellency in making acknowledgment. "I will tell the King." Addressing the large audience that attended these opening exercises, referring to this event, Earl Grey said: "Ladies and gentlemen, when the workmen of Canada are setting an example of this character, I hope you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, in every factory and manufacturing industry throughout the land."

Muskoka Free Hospital for Consumptives

An institution that has never refused a single applicant admission, because of his or her inability to pay. Seventy-five patients can be cared for to-day. Accommodation could be provided for three hundred if the required money were forthcoming.

Where will your money do more good? Every community and every individual is interested.

His Excellency Earl Grey has shown his interest and sympathy in the work at Muskoka for needy consumptives, by accepting the position of Honorary President of the National Sanitarium Association.

Mrs. Thos. Gray This well-known lady and pioneer died at her home at the Post Office, Bussan, last week, and was buried in the R. C. Cemetery at Orchardville on Monday last. Rev. Father Walters officiating. She and her husband are widely known and respected. We have no further particulars at this writing but to mention that one son, John, at home and a daughter, Mrs. L. McEwen, about a mile to the east, will with their father deeply mourn. She was in her 91st year.

STEPHEN LUDLOW. A recent issue of the Patriot, Jackson, Michigan, contains warm eulogistic references to this gentleman, who died last month at the age of 84 years. During his stay in town as chemist at the Cement works here, he made many friends who heard of his death with great regret. He has for 12 years been head Chemist at various Cement factories and since leaving Durham in 1906 has been with the Empire Cement Co., of Warners, N. York, and shortly before his death was promoted to the position of superintendent.

THE NATIONAL PORTLAND CEMENT COMPANY LIMITED Dividend No. 3. Notice is hereby given that a dividend at the rate of five per cent per annum upon the paid up capital stock of the National Portland Cement Company Limited, has been declared for the year ending December 31st, 1907, and that same will be payable at the Head Office of the Company on or after Monday, the tenth day of February, 1908, to all shareholders on record on that date.

HENRY CLAYBURN. There passed away in Williamsford last week a well-known character in the person of "old man Clayburn" as he has been known for nearly half a century. Until a few years ago his home was in Glenelg, in which he was not only the oldest man but the oldest settler, but death has called for the "old Darkey" at last and he rests now in the Rocky Saugeen cemetery. He is reported on good authority to have been at least 110 years old--a long long time to walk this earth. The claim of eldest man and eldest settler too, now rests with Mr. Jas. Edge, Edge Hill, and we hope he may retain the titles many years yet.

Through the courtesy of Mr. Dan Edge we learn that the old negro came from Virginia along with a number of other slaves who made a bolt for freedom and pushed into the then wilderness of Grey Co. in 1812, one year before the Hunter came, and two years before the veteran Jas. Edge of Edge Hill. He always claimed he was 45 when he escaped, thus his birth must have been in 1797, making him 110 years old, linking three centuries.

At the last meeting of the Durham School Board the question of Medals and Scholarships to be offered at the next summer examinations was discussed, and the following is the result for 1908: Dr. J. Jamieson, M. P. P., has again promised to give a silver medal to the South Grey pupil standing highest at the Entrance Examination in Durham. The School Board offers a similar medal, to the Durham pupil standing highest at the Entrance. If a Durham pupil wins Dr. Jamieson's, then this medal goes to the next highest in Durham.

To the pupil standing highest in Form I, a scholarship, i. e., free tuition during the following year. By the School Board. To the pupil standing highest in Form II, a scholarship. By the Board. To the pupil passing highest at the examination for Form III. A medal by Principal Allan.

Before or at the Easter Holidays it is the intention to have installed a complete equipment for teaching chemistry, modelled after the most approved High Schools in the province. Nothing will be left undone to keep Durham School what it is now in the front rank of the Continuation Schools of the Province.

The Mail & Empire of recent date says: "Mrs. M. E. T. de Touff-Lauder has received a letter from her Majesty Queen Margherita of Italy, conveying to her very enthusiastic thanks and high appreciation of her two new songs, 'To a Wee Bird Flying to Fly,' and 'Birdie's Reply,' which are both dedicated to her Majesty." The letter was beautified with the Queen's portrait and bears her autograph.

Death has taken another of the old pioneers away in the person of Mr. Thomas McLearn, of the 8th con., 2 1/2 miles south of here on Tuesday night the 4th. The funeral was on Friday the 7th to the Espin church, the Rev. Mr. Gibson, of Hopeville, officiating at the house and church. The funeral was large, considering the state of the roads, the Hopeville side-road having been broken, any one near it could get out. The Rev. Mr. Melness of Cedarville, was sent notice of the funeral, but on account of bad roads, he did not get the notice until 12.30 the day of the funeral. To get there appeared the difficulty, but Mr. McInnes, being full of pluck and always ready to fill an appointment, determined to go if possible. He got his close neighbor, Mr. Thomas Rodgers to help and in 15 minutes they were out with horse and cutter for the start. They went north through the fields and as they got to Wm Gillespie's their horse was tired out. They got Mr. Gillespie and his son out with a double team and drove 1 1/2 miles to Alex Gillespie's on the 9th con., here they had to make another change, getting Mr. Gillespie's son with horse and cutter that brought him to the McLearn's house but late for the funeral.

Mr. McInnes referred to this family very feelingly on Sunday last at the Espin church in his sermon. The late Thomas McLearn was a hard working man, when a young man he helped his oldest brother to clear up a farm on the 10th con., then he settled on lots 12 on the 8th con and 12 in the 9th con, where he made a large clearing, now left to his sons and where the family now resides. He leaves behind him his wife who was a Miss Houston, of Egremont, and thirteen children, some of them married.

We have had the worst snowstorm that we ever mind of having, some of our roads still blocked up full. Teams are often stuck on the roads. As we write on Monday the 10th, we have not had any mail for about a week and we don't know when this will reach Durham [Tuesday a. m.]
