Apply on farm to

other counties remained blind till the against the three-fifths rule. Friday evening. The young men of songs, brought down the house. He there had been government by the people for the people, more had been hop Dowling has announced the crash came. For the past three years

Amongst these was the establishment of the Railway and Municipal Mary's Journal. Will appear at the Board, their efforts to make clean cultural purposes, by introducing the teaching of Agriculture into six High Schools, and he gave a glowing eulogy of the benefits springing from this departure. Then there had been a doubling of the quantity of farm literature cent out, there were 1248 students at Guelph College, the largest enrolment

He had high praise for the Provincial Secy., Mr Hanna, for what he had done to carry out the provisions of the recite his own composition "The old eer. Admission locts. Ladies bring. Liquor License Act, and he passed from this to the more important legislation on Education. Ross had wrong hy raising the status of the teacher. He essayed an explanation of why he withdrawn blaming irregularities of assessments. The new method of paysurpassing all the other material glories of the Province. He had a sneer for Hon, Mr. MacKay, he lacked had one story in the House and another in the country. In the same vein he referred to the boast of a first proze school system at Chicago fair, and all in all, considering the increased amounts spent on education, he was quite willing to make it an issue in the coming election.

He had hard knocks for the grits and apparently with some cause on the alleged "school book ring," who had made a charge of \$1 15 for a set of the readers, which could now be secured for 49 cts, a statement received with great applause.

Taking up finances be admitted expenditure had increased at the Agricultural College, the new Normal Schools, Colonization roads and railways, but all were making for comfort and had been met out of current revenue. Over three million dollars had been spent on the new railway. He drew comparisons, always in favor of Conservatives, be ween the systems of accounting of the old and new governments and of the enforcement of the gambling laws at Toronto

#### Mr. Gamey followed. He is not the cultured speaker Mr. Downey is, but in Convention He is good at a story and one can scarcely realize that he has before him the hero of the flight to Buffalo and

Pr. Jamieson, M. P. P., again Chosen.

Friday last the Annual Conservative Convention was held in the Town Hall, which, when the speaking was in progress, was altogether inadequate.

The first first form the fight to Buffalo and the spoiler of the deposit slips. As we have remarked he eulogized Dr. Jamieson in his opening and proceeded to condemn the late government which he said was "for the last 8 or 10 years a mistake, for the last 8 or 10 years a mistake, for the last 4 or 5 a disaster." Politics was the business of the first form and First Hall. Mr Jas. Lloyd asked for Town Hall for a lecture on 13th under auspices of the Horticultural society, which was granted. ee with one dozen of our best cabiets tor a short time,

# A New Daisy Oil Can

This new oil can has just been invented and we have lost no time in taking them into stock. They are very durable, being made of heavy galvanized iron and very simple of construction. They make an ideal can to handle and as the tap is placed on the top there is little danger of it being knocked off in the sleigh. This is the never-leak Oil Can, the best can for farmers. Price this week .....
