Jesus the Bread of Life .- John 6: 22-51. Commentary.-1. Seeking Jesus (vs. 22 25) The events of this lesson being of the five thousand and the walking on the water. On the night before when the people saw the disciples leave in the only boat on that side of the sea without Jesus, many of them remained over night on the east coast in hopes of again seeing the great Prophet (John 6: 14) on the next day. But in the morning when they saw he was not there they "took shipping" in the boats which had
