PRESIDENT MITCHELL FEARS A SHUT-DOWN OF MINES.

Operators and Miners Fail to Agree on a Joint Wage Conference.

Indianapolis, March 16.—The national | The second will be to adopt a scale of America met to-day in Tomlinson ences by districts. Hall to agree upon a course of action any scale except by competitive districts, because of the failure of the operators which would mean that Western Pennand miners of the central competitive sylvania, Ohio, Indiana and Illinois opfield to agree upon a joint wage conference to fix a scale in place of the present one, which expires April 1. The wage scales for the various bituminous fields of the United States and Canada are based upon the scale fixed in the central competitive field, consisting of Illinois, Indiana, Ohio and Western Penn. sylvania.

Failure to agree upon a joint meeting to fix this scale has caused President John Mitchell to call a national meeting mines in operation, which the miners January Captain Fujii and four men ronto. of the miners. Indications are that four propositions will be considered by the

mands and then issue a call for a joint or by the threat of bringing on such a blowing all winter. operators who may wish to come in, sign a scale and keep their mines in suspension of mining in all these great fishing schooner John F. Miller, said to lains: John Hewitt, Toronto, Grand lai
