TOWN OPICS

A. H. Jackson is an Issuer of Marriage Licenses, Durham, Ont.

Hand us in a list of your visitors or your friends out of town.

Markdale council is building a bandstand in front of the Marsh hall.

Sacrament of the Lord's Supper will be dispensed in the Presbyterian Church here, on Sunday, 31st May.

The C. P. R. contractors are raising and strengthening some of the piers of the bridge over the Saugeen in Durham.

For 50 cts.—To new subscribers who wish to keep in touch with general and political events in South Grey for the rest of this year we offer the Review for 50 cts. Single copies 3 cts, two copies for 5 cts.

Markdale suffers a distinct loss in the removal of Mr. J. E. Trelford, hardware merchant, one of the most prominent business men of that village. With his wife and three children, he left last week to spend the summer on their ranch in Saskatchewan.

MERCHANTS WON THE FIRST.—The town base-ball league was opened for the season last Thursday, when the Furniture Co. and the Merchants clashed. Only four innings were played—barely four on the Merchant's side—as they pulled ahead sufficient to run and the game was called in the semi-darkness with two out. Score 11-6. Batteries: Furniture Co.—Glass and McDonald; Merchants—Newton and Keeler.

IS WOOL TO BE LOW?—An exchange says: "The outlook for wool this year is not very hopeful. The price of Canadian wools in England is from 40 to 50 per cent lower than a year ago. Last year buyers were paying 10 to 15¢ for unwashed wool, and 25¢ to 30¢ a lb. for washed fleeces. These were Toronto quotations. At local shipping points the prices would be a little less. This spring dealers claim that they will have to buy wool at a cost of 10¢ in Toronto for unwashed, and 12 to 13¢ a lb. for washed fleeces."

QUEBEC CAMP CALLED OFF.—The muster of the Canadian military forces at Quebec for the Tercentenary Celebration in July, has been practically called off, and the regiments will be at Camp at Niagara in June as usual. The intention was to have an army of 25 or 30 thousand strong assemble on the old battlefields, but the problem of cost and railway transportation has caused the whole scheme to be abandoned so far as the Department of Militia is concerned. This will be a great disappointment to the volunteer regiments as many had begun to count big on the outing. Durham No. 4 Co. has been largely depleted since the change became known, but it is expected to be up to at least half strength by Camp time.

Friday, May 22, will be observed as Empire Day in all the schools of Ontario. A notice to this effect was issued by the Hon. Dr. Pyne, Minister of Education. The program for the day is suggested as follows:—The Union Jack or Canadian ensign to be flown over every schoolhouse in the Province. The day's proceedings will begin by the teacher giving a brief outline of the history, progress and magnitude of the Empire, illustrated by a map of Great Britain and all her colonies and possessions, with a reference to the leading statesmen, warriors and others distinguished in the history of the Empire. In the afternoon it is suggested that patriotic addresses be delivered by the school trustees and others, and that the children sing and recite patriotic selections.

After some weeks of wet weather the farmers since Saturday have been favored with fine dry weather and becoming warmer. With no frosts the prospects for a good crop of hay are excellent.

Meetings in the interest of Mr. Neil McConnel, the Liberal candidate, will be held next week at various points. Dates, places and Speakers will be announced. We have no definite information as to whether or not he will be present.

PICNIC.—Under the auspices of the Pomona foot-ball club a picnic will be held on the old Scotchtown pleasure grounds, lot 31, con. 3, N. D. R., Glenelg on 3rd of June. Candidates for the Legislature are expected to be present. 25¢ and 10¢.

The new scale of rates proposed by the Supreme Court of the L. O. F. is meeting with great opposition by the members. An indignation meeting was held at Clinton recently, and the general feeling was that the raise was uncalculated for in view of the rapidly increasing surplus to the credit of the Order.

MAKE A MERRY WIDOW HAT AT HOME.—Take one bicycle wheel. Superimpose on the hub one deep granite sauceman, first snipping of the handle with an axe. Stitch on cover of wine-colored velvet from your season-before-last's coat suit. Put on a three-inch binding, around brim, of canary-colored taffeta silk from your great-grandmother's party dress. Rip nine-inch yards of box ruching off your shirt-waist box, and wind about crown. A soup ladle and a joint fork will give a jaunty effect if used as hat-pins. —Chicago Journal.

WAS LADIES' NIGHT.—To be on a par with the young men, who held a social some time ago, the young ladies of the Baptist Church held their social Thursday evening last and we venture to state, was fully the equal of that given by the men. The school-room was crowded with an audience who duly appreciated a fine program of solos, duets, choruses, recitations, club swinging, &c. Miss Dora Burnett was right at home as chairlady while Mrs. Newton presided at the organ with her usual grace. Following the program, refreshments were served, the ice cream being unusually enjoyed by two of the young men.

St. Paul's Church, Egremont

The ladies of this Church, having finished their famous autograph quilt, held an entertainment in Allan's School House on Tuesday evening last.

Rev. Canon Spencer of Mt. Forest, delivered his very interesting illustrated lecture on the early settler of 50 years ago. The views were very clear and distinct and showed the scenes of pleasure and trouble through which the immigrant passed from Portsmouth to Owen Sound.

After the lecture, the ladies served a very dainty luncheon. Then came the interesting part—the exhibit and sale. In introducing this part of the programme, the Rector made a few remarks. He stated that the quilt, through the zealous work of the ladies netted the congregation the large sum of about \$212. This with the receipts at the door, about \$15, and the price of the quilt, \$13, made a total of about \$240 for the work.

Mr. Clark, the pleasing and popular auctioneer, wielded the hammer, and in a very few minutes had the article sold for the goodly sum of \$13 to Mr. Wes. Arnot.

The meeting closed with the doxology

Local Option Stands

On Monday last the long anxiety regarding the fate of the Local Option Law in Durham came to an end, and the decision makes it certain that the By-Law and all that it means stands good. We hope the result will prove that the moral welfare of the town will be clearly and permanently benefited by the measure. As we said before the hotels must adjust their rates to the new conditions, and temperance people will not complain. Every service rendered should be paid for. We hope the law in Durham will be respected to the full and we are sure no business will be hurt because intoxicating liquor as a beverage is not sold over a bar.

The following is the official judgment as it appeared in the Toronto Star:

Mr. Justice Teetzel has refused the application to quash the local option by-law of the town of Durham. It was necessary to show that 28 votes were illegally cast. Eight of these were conceded as being illegally cast by the town. It was shown that 18 voters whose names appeared as having cast their votes had no qualification whatever, and that 35 others had not sufficient qualification to enable them to vote.

His Lordship says: "The evidence shows that these names were put on without any color or justification. The only explanation the clerk offers of his extraordinary conduct is that they were not placed there with any intention of aiding either one side or the other in the said contest."

His Lordship, however, decides that he cannot go behind the voters' list to the assessment roll, and that those whose names appear on the former are entitled to vote. He concludes: "In view of the unjustifiable and extraordinary conduct of respondent's clerk in preparing the voters' list, in adding a name to it after it had been certified by the county judge, and in unlawfully giving certificates, thus enabling many persons to vote without proper authority, I think that while the motion must be refused, it should be without costs."

Town Politics.

At the meeting of Council on Saturday, on motion of J. H. Brown, S. P. Saunders, the tender of Messrs. Crowley and McDonald, Contractors for the bridge, was accepted, it being the lowest. They are to enter into bonds to have it completed without undue delay.

The claim of Miss McDonald for injuries on street last winter was not accepted.

On motion of Brown and Kress, Mayor and Clerk were instructed to make final settlement with Sirrs Bros. by relinquishing their claims on the deposit of \$500 and having the property handed to the town.

The town receives \$5500 insurance in cash and has the property to present to another manufacturer.

Sirrs Bros. have had an offer of \$1500.00 made them but we do not know if they have accepted it. A manufacturer of woodenware we hear is a prospective acquisition.

WANTED.—A first-class coat maker at once, male preferred. \$5 for a sack coat at Harry Burnett's Tailoring dept., Box 3, Durham.

I. O. F.—The regular meeting of Court Durham, No. 111, I. O. F. will be held on Thursday, 25 May. A full attendance is requested to consider the re-rating of old members.

"Fleaherton's" "unclaimed jewels" held an assembly in the new drug store in Richardson's block Tuesday evening. Fifteen young people were present from town, besides fourteen from Markdale.

FAH OFF NIGERIA.—The last Guild meeting was made specially interesting by the presence of Miss Annie Bartlett, of Toronto, whose early youth was spent in and near Durham. This young lady, with few or no advantages except courage, devotion and perseverance has qualified herself as a trained nurse, and more than that, has made a study of mission work in Nigeria to which she intends to devote her life. She is a ready speaker and gave an interesting address on Mission Life in Northern Nigeria, dealing with the habits and condition of the people, their occupation, products, etc. She has a number of interesting curios to exhibit, the work of the natives, some of it very beautiful and it was much admired. Miss Bartlett has for the past month, been nursing her old friend Mrs. Sutherland, at the home of Mr. and Mrs. Thos. Banks.

The beautiful season is now at hand which encourages a man to live out, side of himself. In the dreary winter there is nothing to look at or listen to but now it is something like an ecstasy to see the sun rise, to listen to the warbling of the first birds, to watch the first buds and hope for the first flower, and to watch the antics of the overjoyed children at their play. Men and women ought to drop the cares of the shop and the home, put on their best clothes, take a long stroll and forget for a few hours, anyway, their own being. For one sweet morning or afternoon they ought to live the life of sheep and lambs and delight in the glories of nature without the slightest discount on account of their own being and identity. Their superior intelligence makes it possible for them to extract more pleasure from the objective life than the lower animals even. Away, then, and take a glad day off.

Obituary.

ARCHIE MCARTHUR.—This community was deeply grieved last week when it was learned that Archie McArthur, only son of Mr. Chas. McArthur, Banessan, had passed away. The young man was in his 25th year and was popular and highly respected among his companions and in the community. He was industrious to a degree and was getting to be the mainstay of the home now so deeply afflicted. For a year or more back he has been afflicted with tuberculosis and it has carried him off in the prime of life. The funeral on Monday was very largely attended and many were the expressions of sympathy with the bereaved parents, the sisters and other friends. Rev. Mr. Farquharson conducted services at home and grave.

SAMUEL SCOTT.

This gentleman, one of the pioneers of Glenelg township but for the past 11½ years a resident of Durham, passed away on Tuesday at the good old age of 83 years. Twice of late he took hospital treatment for cancer on the neck, but merely got relief, and now he has fallen a victim to the deadly disease.

He was born in Co. Caven, Ireland, and came to this country about 30 years ago, staying in Georgetown for about a year before moving to Glenelg near Banessan, where he underwent the usual trials and hardships of the early days. He had a buoyant spirit however, and he struggled on to a competency. He was genial to a degree, an inveterate story-teller and a neighbor and friend was held in the highest esteem. His wife, to whom he was married 45 years ago, survives him, and besides her there will mourn four nieces, Mrs. Hazelgrove, London, Mrs. Hewitt, Glenelg, Mrs. Wiggins, Durham and Mrs. McCallum, Kingston, Penn. He is to be buried to-day in Saugeen Cemetery.

To the Electors of South Grey.

Gentlemen,

I am a Candidate for the representation of South Grey, in the Legislature, and if elected will endeavor to give the closest attention to the affairs of the Province in general, and my Constituency in particular. It is my intention to conduct the campaign free from everything personal, of everything that will cast a reflection on myself, or the Electors of the Constituency. If I cannot be elected by the aid of what is perfectly defensible, I do not wish to be elected. It is my wish to emphasize the moral side of politics and fight fair, so that when the Election is over, I can look back with satisfaction, knowing that I did not deprecate politics.

I am, Respectfully yours,
 NEIL MCCANNEL.
