# THREE LOST AT TILLSONBURG.

The Bartender of the Queen's Hete! Eurned to Death.

Some Other Guests So Badly Hurt They May Die.

One Man Escaped by Sliding Down the Water Pipe.

by the flames, and escaped in their Tillsonburg. night clothes by ladders and by jumpture full of inflammable material. There were about forty rooms in the building, and most of them were occupied last night. Although no signs of life had been observed by a citizen, who passed by about 5.10, just five minutes later when the servants were downstairs they found the lower part of the building in flames. Rushing up to the bedroom floors they roused the sleeping guests. flames followed fast after them, and in an incredibly short time the whole interior of the hotel was filled with Balloon Drops Three Thousand Feet the first span, followed by a terrific rebeen first alarmed, got safely out by the stairway or reached the balconies. to which ladders were speedily raised. Refore those on the upper storey jured, her skull being crushed in, and tary school.

he jumped. Wheatley's Body Found.

Of the manner in which the third victim, Thomas Wheatley, the bartender, met his death nothing is known. The fire burned till the early caused by a false manoeuvre on his part. afternoon, and a search of the ruins after it had been extinguished revealed a body burned beyond recognition, which must be his. He was 32 Schedule Changeable for Validation of years of age and a son of Chief of Police Wheatley, of Clinton. It is thought death came as he slept in A Toronto despatch: The schedule of Forest City Co., the original 3 cents his room on the third storey, and fees chargeable under the new act for ity rights in the hands of the arbitration of the arbit

## reet episties were made public.

WINNIPEG'S NEW STATION Three Railroads to Unite in Erecting a Superb Structure.

Ottawa, May 25. Plans for the new Winnipeg passenger terminals were approved to-day, and a contract for the construction will be signed shortly and work begun at once. The parties to the enterprise are the Canadian Northseart of Winnipeg), the Grand Truck Pacific and the National Transcontinental. The plans for the depot and assenger terminals were prepared by arection of the Canadian Northern and Grand Trunk Pacific, and were submit ted to the National Transcontinental

Commission for decision. The com mission to-day gave its approval. The building will form the finest depot in Canada, and will only be surpassed on the continent by the depot in the city of Washington. It will cost something more than a million dollars, will be of stone, and large enough to take care not only of the present traffic, but of the traffic which may be developed in Washington, May 25 .- The Senate | the course of many years to come. There will be office accommodation for all the companies which are interested. The central rotunda will be eighty by ninety feet, and of a most impressive design, In fact, the whole structure will be architecturally superb. The train shed will be very large and every possible convenience will be afforded the patrons

of the roads. WIFE-MURDER CHARGED.

Young Homesteader of the West Ar-

rested in Cincinnati, Fielding, Sask., May 25,-About eightcen months ago Mrs. H. Steinberg, wife of a young American homesteader, who hailed from Boston, died under very mysterious circumstances, but it was exhunaed, and as a result of the qualycis of the stomach traces of arsenic polsoning wire found. Steinberg left here unesediately after his wife's death, but his whereabouts were always pretty ile was errested at Cincinnati yesterday, and will be extradited to answer the charge of prorder. He has married

> ----An Advantage.
