The trouble appears to have arisen in a conflict between the Governor, Kopassiz Effendi, and the Senate. The Prince of Samos was seized by the malcontents and beaten. He made his escape to the palace, which since has been beleaguered. Reinforcements of troops sent from Smyrna were driven

back by a fusillade from the shore. The revolting islanders are being aided by the gendarmerie. It appears that the telegraph office has been seized by the rebels, but a despatch from Smyrna, with to-day's date, declares that the attack on the palace continues, and that there have been many
