A LEG BROKEN.—Mr. Henry Simpson, an employe at the Cement works was working in the sulphide rooms last week and a large piece that had got coked fell about 10 feet and caught him, crushing him to the ground. He called and called, but the noise of the machinery rendered hearing impossible. Nothing for it but to try to liberate himself and in great pain he succeeded in doing so. Then he found his leg was broken in two places below the knee. He crawled to the nearest workman, Mr. T. Moran, who soon got all the assistance possible. The leg is now set and he is doing well, but much sympathy is felt for him in his enforced confinement.

WOMEN'S INSTITUTE.—The Durham branch of the Women's Institute held their July meeting at the home of Mrs Blyth, Varney. Between thirty and forty ladies were present. After the opening exercises and business, Mrs Pettigrew gave a paper on "Sunday dinners," which was very good, and was well discussed. Miss McCauley gave, "Recipes for a lunch basket" and Mrs Lee a paper, "How they do in other branches" which had some very good suggestions. The next meeting will be held on the 6th of August, at the home of Mrs Thos Brown, Durham. After business the meeting will be conducted by the young ladies. Two prizes will be given for the best darning—the same to be done by the young ladies. All are welcome.

Durham School Board has secured Miss Amy Edge for the Continuation Class Staff. Miss Edge has had a brilliant career as a student and teacher, taking honors at every examination.

A Bruce Street citizen was deputed the other day to buy an article for his wife—a blouse, or something else that women wear. It makes no difference to the story just what. He modestly stated his mission to the young lady behind the counter. "What bust?" she inquired. "Well I don't think anything did," was the reply: "the thing simply wore out."

Fathers, Mothers, Sisters, Brothers, Sweethearts, Lovers And all the others

should take in the big Excursion on the new C. P. R. Line, on 3rd August, Durham to Owen Sound. Cheap tickets good by regular trains to return next day if desired. Start from Durham 8 a. m. Returning will leave O. Sound at 7.30 p. m.

The Baptist "Garden Party" held in the new rink was favored with a pleasant evening and a good crowd. The capacious enclosure formed a delightful place for the purpose and the pretty booths and the tables were well patronized. The band under Mr. Wright's leadership gave great satisfaction, and is developing a power in "attack" and harmony which be-speaks good leadership. Misses B. Crawford and Ida Wilson, contributed musically, as well as different members of the choir, and Messrs McIntyre and Rolph on mandolin and banjo, all being loudly applauded. The selections on the cornet by the bandmaster were delightful numbers and fitted and filled the big building.

MARKDALE WON OUT IN BASEBALL. A most interesting baseball match, partly so on account of being against the first outside team seen here this season, was played on the Show Grounds last Friday afternoon. Durham was represented by a picked team from the town league, mainly from the Cement and Banks teams, with Fisher of Harriston as pitcher while their opponents were the Markdale nine.

At the outset it appeared the town bunch had a walk-over, as they batted the Markdale pitchers' offerings all over the field, finally ceasing when they had scored 8 runs. Markdale came back strong each inning and pulled ahead by two runs in the 4th, the town nine's batting streak having deserted them with a change of opposing pitchers.

The fifth innings increased the interest when two Durham runners crossed the plate tying the score, and more so in the sixth when our boys again assumed the lead. It was short lived, however, Markdale securing sufficient runners in the final innings to clinch the game.

Durham's batting order was as follows: Livingstone, 2nd b; Mowry, left; Wilson, 1st b; Fisher, pitcher; Banks, 3rd b; Rolph, right; W. Lavelle, short stop; Matheson, catcher; Buchanan, centre.

The score by innings: MARKDALE 1 3 3 3 0 1 0 3 3—17 DURHAM 8 0 0 0 2 2 0 0 0—12

Mr J. C. Telford made an efficient umpire, there being very few unsatisfactory decisions.

Obituary

MRS. WM. JOHNSTON.

The town was startled and grieved on Thursday morning last to learn that the above lady had passed away very suddenly. She had got up first as usual and was seen moving around outside but when her son awoke some what later she was not in the house to his surprise, and after a hurried search he found her outside, alive, but breathing with difficulty. A doctor was summoned, but she was past medical aid. For some weeks back she had been a great sufferer from a neuralgic affection and was using laudanum for relief. It is thought she may in her agony, have taken an excessive dose, or repeated it too soon, or it may have been a weakening of the heart from other causes resulting in heart failure, now so common.

Mr Johnston, Sr., was near Meaford on his organizing duties for the Foresters, and the burden of the hour was thus thrown on the son. He telegraphed to Collingwood, where he had last been heard from, this was sent to Meaford, a lively horse was secured, and after some time he was overtaken at his duties and the painful news told him. He drove all night to Flesherton and from there reached Durham Friday morning.

Deceased was 58 years of age and was married almost 30 years ago. To them were born two sons and five daughters: one son died many years ago. Wm. Jr., is well-known, and the daughters are Annie, Mrs Alex Mody S. Dak.; Izzie, Mrs Jac. Austin, Sask.; Alice, Mrs Fredericksen, S. Dak.; Jessie, Mrs Philip McKechnie, Iowa, and Ruth, Mrs Anderson, Oregon. One sister of deceased, Mrs Peter Reid, Egremont and two brothers, George on the homestead in Normandy and Robert at Sault Ste Marie, remain, and with husband and family will deeply mourn the gentle spirit that's gone.

Mrs Johnston was a most likeable woman, valued as a neighbor, and an example of all that was good and true as wife and mother. Had time permitted the daughters would have rushed to her side, prompted by the affection that was deep and strong between them, a hallowed memory now.

She was buried on Sunday in Maplewood cemetery beside her parents and her son. A large number from town and country paid the last respects and there were some beautiful floral offerings. Rev Mr Farquharson conducted appropriate services at house and grave.

Mrs. MORRISON, Sr.

This aged lady who had reached the patriarchal age of nearly 92 years died on Friday last at the home of her son-in-law, Mr. Jas. Matthews, Egremont. Just recently she moved to Durham to stay with her daughter here, Mrs. Geo Hepburn, but the noise of the C. P. R. engines bothered her and she moved back to Egremont and died where the most of her life was spent. She was buried in Maplewood cemetery on Sunday, Rev Mr. Farr, on behalf of Rev Mr. Bice, officiating.

Deceased survived her husband a-bout thirty years. Three sisters, all younger survive her: Mrs Cowardine, Durham; Mrs. Thos. Hazlett in the West and Mrs. Thos. Sirrs of Crystal Falls, Mich.

Mrs Morrison was mother of a large family, no fewer than 9 of whom survive her: Mrs Geo Hepburn, Durham; Mrs. Jas. Matthews, Egremont; Mrs. Geo Neal, Mt. Forest, are daughters; the six sons are John, Mich; James in the North West; Geo in Roland, Man; Wm on the old homestead in Egremont opposite Maplewood Cemetery, and Rich and Robt., also of Egremont. She was about 80 years in Egremont, one of the noble band of pioneers now rapidly disappearing, and her children grandchildren and near neighbors will always cherish her memory.

FREDERICK FAW

On Saturday morning last, Mr Frederick Faw of Glenelg, near Lutona, passed away after an illness of some month's duration. He was in his 65th year and leaves as chief mourners his wife and a grown up family.

Since coming to Glenelg some six or seven years ago, he and his family have become well known and widely respected. He was an earnest and consistent member of the Methodist church and was liberal in politics. His funeral on Sunday to Latona Cemetery was largely attended we have heard.

[We were informed by one of the sons that an account of his father's life had been sent us, but up to going to press it has not reached us.—Ed.]

Bargains in Millinery at Miss Dick's. Sweep? No not yet—but a high class concert opens the new skating rink on Aug. 21.

Intense heat has prevailed this week giving fine haymaking opportunity. Today Wednesday it is about 90 degrees in the shade, on Gun's thermometer.

Farmers! take a day in the lull between the harvests to visit the County Town: looking its best for the Toronto to Grey Co. Old Boys. Monday, 3rd August, over new C. P. R. line, cheap rates.

LOST TOES.—Mr Arthur Whitaker met a C. P. R. train Tuesday near Allan Park on the same track as his railway velocipede, and in getting out of the way, in some manner got his foot under the big wheels, severing some of his toes.

Rev. A. H. Ranton, the well-known Toronto evangelist who lectured here last November, was married recently to Miss Jean Harrison, of Strathroy. Some months ago, in the course of his evangelistic tour of the Province, Mr Ranton conducted services in Strathroy for several weeks and there met the lady who is now Mrs Ranton.

RAILWAY WRECKS.—The C. P. R. line, Durham to Hanover, will evidently require heavier rails. During the past week two or three accidents have occurred to mail trains, blocking the line temporarily. The weight of 50-ton tank cars is plainly too much even with care. The mail is seen passing through seems to be high-class stuff.

SIR JAMES WHITNEY.—Congratulations to Premier Whitney, who last week was one of the few honored by the Prince of Wales by being made a knight. Now please get on to it: no more "Whitney" but "Sir James." The Premier of Quebec province was also honored and is now "Sir Lomer Gouin."

Such is Glory. Longboat after running 29 of the 26 miles at the Marathon race at London, collapsed completely and is now a "has been." Dorando, an Italian, got first to the Stadium, but fell a few yards from the goal. Hayes, from the United States, was first, a South African was second, (an old Canadian by the way.) The Canadian runners who finished ranged from 5th to 8th.

"DURHAM'S CHEEK."—The Bruce Times editor let himself lose last week quite unnecessarily in an article under the above heading. The "cheek" according to the Times man consists of an alleged request of Durham's Mayor asking Walkerton's co-operation in a celebration over the opening of the line. The editor should have made sure of his ground, there was no such request in the form he puts it. Durham is holding no big demonstration on Aug. 1, as charged, nor was such ever planned for, but Durham has a wide awake mayor who sees the fitness of things and who was enquiring if the people down the stream were talking demonstration for if not Durham would. Now that our Mayor has "touched a tender part," woke them up so to speak, we would not be surprised if something should happen when "the official time-table is shoved up." When that happens Durham's mayor and more may go down to see the doin's, when Walkerton "lets itself loose." That is if they are safe from the irascible editor of the Times.

Model Schools for 1908.

Principal Allan is receiving applications for the Model School to be held in Durham this fall. A circular received last week says:

From various causes it has turned out to be impracticable to organize the new system of Model Schools during the present year. In particular the number of teachers with the new Third Class (the old—district) Certificate, needed for 1908 to 1909 cannot be definitely estimated at present. The Minister has accordingly, decided to continue for 1908 the former Model Schools at the following centres: For the Districts, at Bracebridge, Kenora, Parry Sound, Pt. Arthur, Sault Ste Marie and Minden; and, for the counties, at Cornwall, Durham, Lindsay, Kingston and Renfrew.

For this year the above named Model Schools will prepare teachers for School Sections of the Districts and the counties whose financial and other conditions may prevent them from being able to secure teachers with 1st or 2nd class certificates, or with 3rd class certificates, granted under the Regulations of 1907 and preceding years.

The Excursion

We hope a large number in town and country will take advantage of the cheap trip to Owen Sound on Monday next. Adult fare, return, is only \$1.10 children, half price. Under the auspices of the Public Library. Special train leaves at 8 a. m.

25,000 Men for Harvest.

C. P. R. Vice President gives an idea of the probable condition of Labor in the West.

Strathcona, Alta., July 23.—Wm. Whyte, vice president of the Canadian Pacific Railroad, when seen by your correspondent regarding the crop prospects, said:

"From all information I can gather from those capable of expressing an intelligent opinion, it would seem as if twenty five thousand harvesters would be required to garner the crop."

"The probable wages given will range from two to three dollars when by the day, with board, and will probably average \$2.50.

"On this basis men will lose their wages for time not worked, although there will be no reduction for board on that account.

"In arriving at these figures, all applications above reasonable figures have been eliminated. Harvest operations should begin by August 15.

"Crops between Calgary and Edmonton are looking very well and nearly three weeks ahead of last year.

"I am also informed that the crop of fall wheat in southern Alberta is in good condition and gives promise of a large yield."
