Lacrosse in this district, must in fu-ture be reckoned, like a horse race or an election, as a very uncertain quantity. In the final game at Markdale Monday, to break the tie for the district championship between Hanover and Owen Sound, everyone predicted and looked for a close exciting struggle, with slight vantage in fayor of either team. In fact, after their splendid form shown in the lakeside town, when they held Owen Sound to a one goal win, Hanover stock went up, to such a degree that the town felt confident of victory and about 125 100 ters with the band, accompanied the team on the excursion through town, arrive on the excursion through town, arriving in Markdale shortly after noon.
