LED HIS FORMER BAND.—The Newmarket Era of Aug. 14 last refers complimentary to Mr. Hawthorne on his visit there: "The citizens who turned out to hear the Band Concert on the School Grounds last week had an unexpected treat. Although the Band was not in full strength, they did justice, under the able conductorship of Mr. H. D. Hawthorne, formerly Band-Master of this Town."

A NEW WESTERN VILLAGE.—A small cotton paper was handed to us Saturday Vol. 1, No. 1, of the Wilkie Press, Sask. Obituary

MISS J. PARROT.

It was with great surprise and sincere sorrow that the town learned on Sunday morning that Mrs. John Parrot, one of the oldest residents here, had passed away from heart failure.

The late Mrs. Parrot was born in Somerset, Eng., and came to Canada with her parents when a young girl of 16. At 18 she was married to her late husband, Mr. Parrot, in Hamilton and shortly afterwards moved to Durham and founded the transmitting and plumbing which has been carried on since. They were amongst the earliest settlers of Durham and not a business concern that was in existence there, is now carried on Miss McKennie was carrying on her millinery establishment then, but the McKennie firm had not started as Gilbert was in McNab's store. The late Jas. Brown's store, the Cochrane foundry and the Hunter up town store were at that time going on, but all have now left here or died.

Mr. Parrot died 10 or 11 years ago and since then Mrs. Parrot and son (Clas) have carried on the business. They had a large family of 12 children 5 of whom survive their mother: John and Wm., Chicago; Jos., Yorkton, Sask.; Chas. at home; Mrs. B. Lombough, Buffalo; Mrs. J. C. Shorey Toronto; Mrs. Todd, Perdue, Sask.; Mary in Guelph.

Her brother, Wm. Roland, of Aurora, visited her last week. Another brother John and sister Mrs. Tutton, of St. Louis survive her.

She was a devoted mother as the following instance testifies. Before the days of railways she wished special medical advice for one of the children, a boy of 10 years, and she drove to Toronto and back home with him, and a child two or three weeks old on her knee.

She was a very obliging neighbor and friend and model housekeeper, while at the same time a thoroughly honest, upright, forward business woman and honorable in all her dealings.

Presbyterian Choir Concert.

In numbers, in surroundings, in quality of the program, in all but the finances, last Friday night's concert under Presbyterian Choir auspices was a decided success. About 600 gathered in the new rink, which provided a most suitable place for the concert, perhaps its auditory qualities, it being rather large for an entertainer not appearing in Durham. His strong, deep voice filled the spacious rink and with his great range and modulation of tone, drew the closest attention and admiration of the audience. This was exceptionally well displayed in that fine solo "The Gift" and in the duet entitled "Life's Dream is Over" with Miss Florence Scott, the soprano soloist, their voices blended in perfect harmony.

Miss Scott has a sweet voice with clear articulation, but was scarcely strong enough to fill the rink.

Durham's favorite humorist, "Jimmy Fax," if possible, added to his popularity here. His humor is ever unquestionably refined, the more comical of his selections being "Wearing a \$10 hat" and "I wouldn't if I was you." Perhaps the popular success of the evening was his "International Toasts" Mr. Fax rendering in Louis XIV costume the toasts given to the different nationalities represented by their respective flags, at a large house party. The toasts being given, the flags were set off in a stand—Irish, English, American, Scotch—and topped off by a garland of Maple Leaves, the Canadian emblem.

The pipe organ fund for the Presbyterian Church will have a small balance, the large expense curtailing it somewhat.

WELL PLEASED WITH EDMONTON.—Messrs S. McCracken and James Wilson, two prominent business men of Durham, Ont., are visiting Mr. Alex. Beaton, of Strathcona and friends in Edmonton. They are looking over the west for investments and are very favorably impressed with Edmonton and surrounding country. Leaving home on July 7th, they have been travelling continuously and when stating that Edmonton is "the best ever," their opinion carries considerable weight, as they have looked over the country thoroughly.—Edmonton Journal.

A SUCCESSFUL COLLEGE.—The Elliott Business College of Toronto is well known as one of the largest and best commercial schools in Canada.

All intending to secure a business education are invited to write to the college for a handsome catalogue. The Fall Term opens on Sept. 1st next. Hundreds of students go out from this college each year to good positions.

BOWLING AT MR. FOREST.—Durham's first ever lawn bowling rink went to Mt. Forest Monday and won their first game in a tournament there against a Mt. Forest team. The score read: McDougall, sk. 19, J. C. Telford, sk. 23.

A dozen or more farmers hereabouts took stock in to the extent of \$20 each in the Durham Supply Company which failed some time ago. The notes became the property of the Standard Bank, and though the farmers received no value whatever for them, they are now threatened with suit unless they cash up at once. It will be interesting to know what view the Judge will take of the matter.—Creemore Star.

SUCCESSFUL GARDEN PARTY.—Though slightly cool, Knox Church, Normanby, Endeavor in every way held a very enjoyable social on the school grounds Tuesday evening. A large number were present, who enjoyed an abundance of choice music by Durham Regimental Band, a fine program, and spent a good time generally. Rev. Mr. Kendall ably filled the chair and announced what proved to be an excellent program, consisting of selections by the choir, solos, duets and addresses by the chairman, Mr. Wm. Allan and Mr. R. J. Ball, the Conservative candidate.

As a result of a round up by four detectives of the license department, three Owen Sound hotel keepers, among the best known in Ontario, have been sentenced to four months imprisonment each, while a number of others were fined \$80 to \$100 each. In all there were seventeen charges, the alleged offences having taken place in nine hotels. The hotelkeepers have succeeded in avoiding conviction for illegal selling time and again, but the amendment to the act passed some months ago made this more difficult. This time the coup has been successful.

FURNITURE CO. ANNUAL MEETING.—Was held in the factory Tuesday evening. The financial statement for the past year was read and satisfaction was expressed with the financial state of affairs. It would have been possible to declare a dividend but the Directors deemed it advisable owing to the present trade out-look to defer it in the meantime. At present the factory is running steadily, but trade is slack all over the province in the furniture line this summer, and there is no immediate bright out-look. Laudatory remarks were made re the management, both of Directors and Mr. Catton's as manager. The only change in the board of Directors was the appointment of Mr. C. L. Grant, in place of the late Mr. Sparling. The present Board is as follows: Dr. Jamieson, President; R. MacFarlane, Vice-President; A. H. Jackson, Secretary; W. Calder, N. McIntyre, A. W. H. Lauder, E. Limin, J. H. Hunter, C. L. Grant.
