PURE WOOL BLANKETS

We handle the celebrated Grant Blankets made by the Chesley Woollen Mills. They are known all over Ontario as the finest blankets in the market. They are made from pure wool and have not an ounce of shoddy in them. Therefore when washed they don't turn hard like most blankets but retain their softness until worn out.

We have a great stock of all the different weights and sizes in white, grey and checked and every pair at as low a price as you will pay for an inferior Blanket.

Pure Wool Yarns

You will find that our yarns are spun even-er and will knit nicer than any other yarn you can buy. They are made by the same firm and we have a big stock of both 2 and 3 ply in all colors to choose from.

We also carry in stock a fine line of

HEAVY TWEEDS, FLAN-NELS AND SHEETINGS

which we are selling at special prices.
