*From another Correspondent*  
The annual sermons of the Mission-  
ary Society of the Methodist Church  
will (D. V.) be preached by the Rev.  
Thos. Laidlaw B. A. of Eugenia on  
the Priceville Circuit next Sunday  
the 15th inst as follows:  
Priceville 10.30 a. m.  
Ebenezer 2.30 p. m.  
Salem 7.30 p. m.  
Mr E. E. Berry of Toronto, spent  
Thanksgiving with his parents at  
the parsonage.  
Mrs E. E. Dales of Drayton with  
her nephew and niece Master Gordon

and Miss Wilma Pattison late of Kal-  
lispel, Mont., visited her sister Mrs  
Rev. H. Berry during the holidays  
returning to Drayton Tuesday noon.  
Wm Harness of the House of In-  
dustry, Markdale, conducted service  
in the Methodist Church here last  
Sunday the 8th inst and his discourse  
was much appreciated by a deeply  
interested congregation who know a  
good thing when they hear it.  
Stanley Ferguson, Louisa Watson,  
Don McKinnon of the O. S. C. L.,  
Owen Sound, and Mrs Henderson of  
Durham Road, spent Thanksgiving  
with their friends here.  
Mr McDougall is now occupying  
his new house near the station and

Mrs Moore has moved into the house  
which he lately occupied.  
The Sunday School of Ebenezer,  
(Glenmont) Priceville circuit, intend  
holding their annual entertainment  
on Friday evening the 20th inst.  
More particulars next week.  
—Speaking of Mr Lemieux's new  
scheme of free rural mail delivery  
the Montreal Witness says: 'The  
Postmaster-General, who has already  
done much for the promotion and  
cheapening of intercourse has shown a  
good deal of courage in introducing  
something that will probably wipe  
out the only surplus that any of the  
departments can show for the past  
twelve months. Whatever it costs

may well, however, be accounted a  
debt to the farmers, on whose pro-  
ducts have fallen in the last resort  
the cost of government and the bur-  
den of all our subsidized industries.  
The country as a whole will benefit  
by this great boon to those who dwell  
in country places, and it is to the  
country places that Canada must  
look for a large percentage of the  
men and women who will make the  
Canada of the future. Can anything  
be a loss that will tend to make the  
young men and the young women of  
the farms more contented with their  
lot, and more willing to remain on  
the land and cultivate it with skill  
and knowledge, with the feeling in  
their hearts that there is no calling  
more noble than theirs?
