

# LEAVING TOWN! SATURDAY LAST DAY!!

## Merchandise Brokers winding up Saturday Night. Dollars coming your way this week

We have convinced the people that this is The Greatest Price-cutting Sale on Earth, we say the Greatest and say it truthfully. The whole story in a nutshell is that McKechnie's Big New Stock is in the hands of the **MERCHANDISE BROKERS FOR THIS WEEK ONLY.**

**TREMENDOUS CROWDS LAST SATURDAY.** Hundreds of eager buyers could not be waited upon. Gigantic crowd so great we were forced to close the doors. When McKechnies cut prices they plunge to the bone--No Half-way cutting with them. The People have implicit confidence in the firm and know they advertise facts and no fake about it.

We can positively say Hundreds of New Bargains arriving for the **LAST BIG WEEK.** The people are saying "How can they sell so cheap?" We give the reason right here--They have the long green to pay spot cash and hundreds of hard up manufacturers and jobbers are swarming the Big Store with half price lots to clear. This is the people's gain and the manufacturer's loss. Get in line, swell the crowds every day this week. Saturday night--Last night--
