Anyone who does not want to receive a publication will have no trouble in discontinuing it, if you notify the publisher that you don't want the paper any longer—provided you owe nothing. Don't continue the paper until you are pressed for payment and then "swell up" and say "you never subscribed for it." No publisher wants to force anyone to take his paper. If he does not want it at the same time he expects those who take his paper to pay for it just the same as they pay any other debt.—Ex.

Hopeville.

The monster death has been busy the last week amongst our people. On Saturday 21st, Mrs Michael Farrel of 11th Con., died and was buried on Monday 23rd at the R. C. burying ground in the south of Proton. She was a daughter of the late Thomas Farman who lived on adjoining lots. She leaves to mourn her departure her husband and sons and daughters.

Last week we mentioned of a boy of Egremont being sick. He died on the 24th and was buried on the 26th at Swinton Park the Rev. Mr Gibson officiating. He was 18 months old.

Mrs John McEachnie, widow, near her son Archibald in the Western part of the States had died suddenly. He and his wife had gone to a more southern part for the winter and they died. Owing to a misunderstanding of the telegram, the friends thought the body was being sent home and for a few days they were in great anxiety to know the result.

The Esplan Church here is supplied part of the time with students chiefly from Toronto and at times is vacant. We shall at some future time give a little history and doings of this church.

David Allen and some of his family of Durham was here last week. They came here expecting the body of Arch McEachnie, Mrs Allen's brother, to be brought here to his old home.

The old fashioned way of doing a weak stomach or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments instead of the symptoms. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart, or kidneys, if one goes at it correctly. Each inside organ has its own trilling or inside nerve. When these nerves fall then those organs must surely falter. These vital organs are losing strength everywhere to displease and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will come and surely follow. Sold by MacFarlane Co.
