The Old Story of Woman's Sphere in the Home.

New York, Dec 7.- The attitude of President Roosevelt and Secretary of State Elihu Root on the question of woman suffrage was disclosed to-day at a meeting under the auspices of the National League for the Civic Education of Women.

The Rev. Dr. Lyman Abbott, editor of the Outlook, in the course of an address in opposition to granting the right to vote to women read the following letter from President Roosevelt, which he Of Simcoe, under arrest, charged with said he read with the president's permission, although it was not written "for publication nor this occasion." William Elliott, an Old Man, and His Dog Burned.

Niagara Falls despatch: In a fire which completely destroyed his house, William Elliott, aged 70 years, lost his life this morning at Niagara-on-the-Lake. The origin of the fire is not known, but it is supposed sparks from his pipe ignited the bed clothing, as he was an inveterate smoker. Except for his dog he had lived alone for the past ten years, and the remains of both were found close together. Elliott was a member of the Niagara District Veterans' Association, and had lived in Niagara for sixty years.
