Priceville

Friday, the 11th inst., somewhat gloomy looking in the morning, the thaw and rain would be very acceptable but as it were to gratify our desires, both kept away, what for, to give an opportunity to all lovers of amusements, to avail themselves of the privilege of coming to the grand concert held in Watson's Hall by the A. O. U. W. Lodge 140, Priceville. The evening was all that could be desired with every element of making those attending comfortable available. Consequently the result was a crowded hall to the outside steps of the platform.

Door keepers Ferguson and McLeod were two busy men taking in the silver. After all got quietly seated down, Past Grand Master Workman Joseph Gibson, Esq., of Ingersoll, took the chair and called the meeting to order. Bro. Gibson, although not very big in person, is possessed of large ideas and is just the kind of a man to make a good chairman, being full of wit and humor.

The program consisted of the following: the best of music by the String Band, H. Bro. Proton, at intervals during the evening and piano selections by Mr. Douglas of Markdale, who hard to excel as a pianist.

The chief entertainer of the evening was Bert Harvey, of Toronto. He kept the audience in laughing spirits by being repeatedly encored and many remarks were made that he is far superior to Fax.

Next comes Miss Campbell, of Toronto, a fine species of the 'Scotch Lady,' whose personality and vocal talent corresponded. She gave at intervals some of the finest select sets of music in the shape of Scotch songs, &c. Many were the eyes that were fixed on her rosy cheeks, which she so beautifully sang those old favorites during the evening.

The next was an address by Bro. Deputy District Grand Master Henry of Orangeville. He ably outlined the advantages and prosperity of the Workman Society since its origin 32 years ago. During that time some twelve million of dollars were paid out to the widows and orphans of deceased members.

Bro. John McArthur, in moving a vote of thanks to all who took part in the evening entertainment, made a neat address in a condensed form on the excellent order and program rendered during the evening. Bro. McArthur refused to take the platform taking for excuse that too many ladies were in his way to get there, however, his motion was unanimously carried.

The Committee which consisted of the following brethren: Rev. McEachern, M. W., Arch. McKinnon, P. M. W., W. J. Watson, Recorder, and P. M. W.'s Vase and Turner, and others are to be congratulated on the success of the evening's entertainment. Receipts \$70.00.

This was the first concert the Workmen ever had here and quite a success. We do not know who made the mistake in last week's announcement in Priceville news, stating the Annual concert, for they never had one before.

The next item is a wedding on Wednesday evening the 9th inst. A happy and pleasant event took place at the residence of Mr. and Mrs. John McAllen, South Line Armetown, when their youngest daughter Christina was united in the holy bonds of marriage to Mr. William Burnett eldest son of Mr. John Burnett of the South Line also. The marriage ceremony was performed by Rev. Mr. Matheson of Priceville in the presence of all the uncles and aunts of the contracting parties who enjoyed themselves in a becoming manner for the occasion. After partaking of the very best that could be produced on the tables grandly set, all the good things to appease the desires of the inner man. The evening was spent, we fancy, in songs, Gaelic or English, by the bride's uncles, Alex and Donald McMillan and others.

The young couple amidst showers of blessings and good wishes moved to their new home which is just located between the young couple's old homes being the late McLean Brothers' place till bought by the Messrs. Burnett & Son lately. The following evening the young couple entertained all the youngsters in the neighborhood by giving them full possession of their new home for that evening for the purpose of enjoying themselves to their heart's content in a manner suitable on such occasions. All went home at a certain time before day-light with pleasant thoughts of the night past time each expressing, if not in words, in thoughts that the subjects which so pleasantly entertained them may never have to experience to gather them on a similar occasion again.

Mr. Wm Mather entertained a number of the youth and beauty of the South Line Glenelg and D. R. one evening lately they enjoyed themselves till the small hours of the morning in singing and games and such like. No dancing! Mrs. Mather and daughter entertained a first class crowd by giving them a first class midnight December Ball at the hour of twelve o'clock in the afternoon for the purpose of receiving a statement, and for the ordering of the affairs of the estate generally.

At 8 o'clock Mr Jno. A. Black, of Chesley, was called to the chair and called the meeting to order by a short speech and a few short stories. Professor Workman accompanied by Mr Graham of Chesley, gave some high class violin selections also as an encore some choice solos. Mr George Ramago acquitted himself in his usual style as a singer. Then Harry Stevens gave different recitations which were highly applauded. Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific cause—indigestion.

It was this fact that first convinced Dr. Shoop that the stomach nerves, when brought into action, are never to be trusted. When they are overworked, they become exhausted, and the result is indigestion, which is the cause of all the troubles mentioned above.

For stomach distress, bloating, biliousness, bad breath and salivary complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
