A Live Daily Paper Will Put

Money in Your Pocket. With The Toronto Daily Star's accurate daily market reports you could sell your grain and live stock at topnotch prices. Half a cent extra on just 300 bushels of wheat or oats would pay a year's subscription. 25c. a hundred weight on a

dozen hogs would cover three years' subscriptions. Don't you, depending on weekly reports, or daily reports that are old when you get them—miss top prices by at least that much several times a year?
