CHINESE TELEGRAPHS.

Foreign Superintendent Appointed Owing to Diplomatists' Protest. Pekin, Jan. 25.—Owing to the protest of the diplomatists against China taking over the telegraph here, which was contrary to the agreement of 1901, a foreign superintendent of telegraphs has been appointed. A reduction of 20 per cent. in the rates on internal telegrams will become effective on January 22. Nevertheless the Chinese rates will still be

he highest in the world.

RAID AT FORT WILLIAM.

Large Number Arrested in Disorderly

Resorts, Which Will be Closed. Fort William, Jan. 25.-Houses of iii-fame were raided late last night. when all the inmates, consisting of twenty-three women and six men, were arrested and promptly fined by the Magistrate, who opened the court at midnight for that purpose. Four hunconfession. Elder Hoover and the dred and fifty dollars in fines were col-

----FOUR DROWNED.

Three Lose Lives in Trying to Save the Other.

Marine City, Mich., Jan. 25 .- Four unknown men were drowned while crossing the St. Clair River on the ice from Port

In the middle of the river one of the four was seen to break through the ice. The others attempted to rescue him and

WHEN THE POPE SAYS MASS. ver Trumpets Are Blown.

The papal mass of the present day contains any customs of the carlier liturgy. This great ceremony takes place on Easter, Christmas and St. Peter's day, June 29. The deacon and subdeacon at this mass are both cardinals. The epistle and gospel are read in both Latin and Greek, says the Rosary Magazine. The Pope elevates the host at the centre and toward each side of the altar. The cardinal-deacon of the gospel makes a second "ostension," elevating first the

The Pope returns to the throne after

There have been many discussions concerning the communion at the throne, impeached transaction cannot stand. | and as far back as Innocent III. we find The law requires free and full consent | in this Pope's writing: "The Roman to bind the parties, such consent sup- Pontiff does not communicate when he posing three things, physical power, breaks"-that is, where he breaks the mental power and a free exercise of bost in the mass-"he breaks at the these powers. If either is defective altar, but communicates at his seat; the reason for this being that Christ broke the bread before the disciples at Emmaus, but ate before the twelve disciples

at Jerusalem." St. Bonaventure writes that this rite may express the Passion of our Lord. who suffered exposed to the general

that the bell at consecration should be "When the plaintiff was consulted rung at a low mass, but not at a high moral power -engendered by Bishop how the clear toned silver trumpets

the Pope to the cardinal-bishop (who, "I find that the release was executed as assistant priest, represented the archtwo assistant cardinal-deacons, keeping the kiss of peace for the cardinal-deacon of the gospel until after communion. On other occasions, in his low mass, in our times, the Pope kisses the instrument called the pax, introduced in later times. In other ways the Pope's low mass does not differ from that of any
