Have Right to Cry.

New York, Feb. 1 .- A cub'e despatch to the American from London says Every cry-baby in the United Kingdom ion of Justice channel! that to ery is the inalienable right of every infant, and that there is no law to stop them. Residents of the suburb of Fulham, whose homes adjoin the Fulham Day Nursery, brought suit to have the nursery declared a nuisance. Their lawyer argued that the cry of one baby is awful enough, but where there are twentyseven babies-the number of Fulham's babies-there is a terrible condition of affairs that ruins adjoining property. "Were you ever a baby?" the court asked of the lawyer. The lawyer confessed his guilt,

"Then you ought to know that a baby is entitled to cry; that you can't stop it from crying, and that, even if it is a nuisance, it comes under the head of unavoidable nuisances."
