People all talking about the very cold weather and feeling it too I guess. Perhaps this is giving us a taste of North West weather. Miss Alma Renwick is visiting her brother Tom in Palmerston. Miss Phemie Eccles who has been learning the dress-making in Mt. Forest returned home last week. Mr Stephen Box, who has been under the Dr's care the past couple of weeks, we are pleased to say is recovering. Mrs Lamley from Walkerton arrived on Saturday to help nurse him. The Young People's Mission Band will meet Saturday afternoon in the manse. All young people are invited to attend. Mr Walter Hastie was in Owen Sound last week, attending the County Council. Tom and Sandy are hustlers at cutting wood but Art and Bill say they will have to rise early to beat them. Wonder how many got their noses frozen on Sunday, heard of one case. Guess we better all get vaccinated. Four cases of small pox in Mt. Forest.

Hampden

Mrs Robt Nichol spent last week with her brother, Mr The Part at Carlsruhe, caring for his daughter Lizzie, who has been ill of La Grippe. Mr Samuel Robertson was somewhat under the weather the beginning of the week, but is about as usual again. Mrs Robinson, Sr., and Miss Bela returned to Aytun Monday. Miss Etta Anderson suffered from a badly swollen face for several days, but is quite her cheerful self again. An epidemic of toothache seems to have come Hampden way. But we just blame it on the weather. Mrs James Hanna had a quilting bee on Friday, at which quite a number of her friends and neighbors gathered. Evening Service will be held at the church on Sunday, February 7 at 7:30 p.m. Last week the river here had swollen with the rains till it had almost reached the high-water mark of the spring freshet and at the mill race over the road. Some were afraid the bridges were not safe.

If you would have a safe yet certain Cough Remedy in the house, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. It taste will be entirely new to you—because it is already your friend. Cough, Hoarseness, Nocturnal, chloroform, or any other stupefying ingredients are used. The tender tissues of a hoarse, lung-healing, non-irritating, shrub, give to Dr. Shoop's Cough Remedy its wonderful curative powers. It is a truly certain and trustworthy prescription. Sold by MacFarlane & Co.

Sackett's Corners.

Another winter month has passed away, and we will be waiting to see if the bear sees his shadow Tuesday. Friday evening some of our young people got up a surprise party at Mr. John McDonald's. The night being stormy, the fall crowd did not get there, but all present seemed to enjoy themselves. Mr. John L. Ferguson sold a horse at a high price, and delivered him in Dundas last week. Mr. Wm. Sackett is engaged in cutting wood with Neil McFadyen. Little Miss Janet McDonald, of Boxville, spent last Thursday evening with Mrs. S. McMurdo. Some of the young ladies from our burg spent an enjoyable evening last week, we are not sure where, but came home with their pockets full of gum. We are pleased to hear that M. Geo. Wiers's baby boy, who has been ill, is improving. Also Mrs. Geo. Sackett. Mrs. James Renwick got a hand organ, which helps the singing in our Bible class greatly. Wonder what is wrong with the young gentlemen around here, as some of our young ladies are complaining of being lonely Sunday night? The Rev. Mr. Matheson paid a friendly call at Mr. Geo. Sackett's last week.

Eat Sausages or New Bread. You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach if you will occasionally take a little Diapiesin after eating. Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Billiousness, Heartburn, Water brash, pain in stomach and intestines or other symptoms. Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each tablet will digest all the food you can eat and leave nothing to ferment or sour. Get a large 50-cent case of Pap's Diapiesin from your druggist and start taking to-day and by tomorrow you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

Several of the farmers were busily engaged in ploughing a couple of days last week and report the land in fine condition for such work. Mr Spence Hopkins, who took the contract of putting in the school wood is now busily engaged hauling it. Mr Mac. McEachern intends visiting Crawford friends this week. Mrs Robert Hall has returned to her home, after a lengthy visit with her daughters in Toronto. Mrs Irwin Brown is at present laid up with an attack of La Grippe. Mrs Alf Reddick spent Thursday afternoon with Mrs Alex Trayn r. Some people were prophesying cold weather after the thunder storm and their prophecy has proved true, as we are having a very cold snap now. Mr Duncan McKinnon conducted the services in the Baptist Church here Sunday last as our Pastor Mr McLennan was unable to be here on account of the storm. Mr Sam Vickers is confined to his bed with blood poison. Under the skillful treatment of Dr Gun we hope to see him around soon. We are pleased to report that Mrs Hector McDonald is able to be around again after a severe attack of Rheumatism.

North-East Normanby

A splendid sermon was delivered in Knox church last Sunday, by the Rev Mr Little, of Holstein, without a doubt his sermon was well appreciated. Mr Thomas Gadd, we hear, has recovered from his second operation successfully and we hope he is on his way to a speedy recovery. Mr William Caldwell sold a fine young horse to Mr Fortune, of Aytun, for the neat sum of \$190. Mrs Jas. McMillan and daughter Wilma left to join her husband in Port Arthur and will visit friends en route. Mrs T. Wallace and family have been on the sick list this last week. Mr John Morice has purchased a horse from Mr Albert Marshall. Mr Julius Keller and son are again cutting a good supply of wood for Mr A. Marshall. Mr A. McDonald has started drawing logs to Miller & Seim. We hope roads will improve as it proves a great drawback to farmers in general.

Hopeville.

A number from here attended the Sons of Scotland supper at Pricewille last week. They report everything well only not as many there this year on account of some deaths. The Misses Fettes who are likely to leave here soon gave the young people a fine night's entertainment on the 27th last a large crowd and everything went very nice. Conn Smyth of Egremont is working in a wagon shop making up some new sleighs for the blacksmiths. We expect Mr Edward E. Hookridge to be moving into the store this week. A. H. Jackson has a number of houses and vacant lots in Durham for sale. Who wouldn't give 25 cents to stop a pain 20 times? Just one little Pink Pain Tablet—Dr. Shoop's—will stop any pain in 20 minutes, sure! Read the formula on the box. Doctors say it can't be bettered. Checks womanly pains, head pains, any pain. 20 tablets \$25. Sold by MacFarlane & Co.

County Council

The January Session of the County Council commenced at the court house on Tuesday afternoon with all the forty members present. They all filed their certificates of election with County Clerk Rutherford and took their seats. The clerk having taken the chair and explained the order of procedure for nominations for the ensuing year. Mr R. Agnew of Meaford was nominated by Messrs Eaton and Corbett. Mr. A. Schenk of Normanby was nominated by Messrs Shute and Hastie. Mr. A. Garvie of Darby was nominated by Messrs D. H. Sineclair and J. Legate. Mr. A. Shute of Holland was nominated by Messrs Hampton and Ellis. Mr. S. R. McKnight of Collingwood was nominated by Messrs Wilson and Smith. Messrs Garvie, Shute and McKnight withdrew and clerk then proceeded to call the names of the members, for Messrs Agnew and Schenk. The result was Agnew received 21 votes and Schenk 19. The clerk thereupon declared Mr. Agnew warden of the County for 1909 and he was escorted to the chair by his mover and seconder when he thanked the members present for his election and took the declaration of office and called the meeting to order.

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, flatulency, and indigestion as real diseases, but they are symptoms only of a certain specific nervous condition. It was this fact that first correctly led Dr. Shoop to the creation of that now very popular Stomach Restorative. Going direct to the stomach nerve, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and salivary complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
