

LESSON VIII.-FEB. 21, 1909. Stephen the First Christian Martyr.

Commentary.- I. The seven deacons complaint was made that partiality was shown in the distribution of the common fund. The Grecians charged that their widows were neglected. The apostle immediately called the church together and asked that seven men be chosen whose duty it should be to attend to

done, Stephen being one of them. S. and Stephen Very fittle is known of preacher, scriptural (7: 1-50), searching Duchess took several photos of the Amthe history of Stephen. It is thought (7: 51-53), irresistible (v. 10); as a erican vessels with the idea of adding that he was one of Peter's converts on martyr, full of the spirit of faith (vs. them to her collection of pictures of the Day of Pentecost. full of grace and | 55, 56), hope (v. 50), love (v. 60). If so. Then follows His defence or apology in which He gives a concise history of not had Paul." the Jewish people. He answers the charge of blasphemy by showing that he reverences the scriptures, and that he holds the faith of Moses. He shows that the gospel was a continuation of the Mosaic economy, and that their externot rites foreshadowed the more perfect eniritual system. He charges them with resisting the Holy Spirit and declares day to all Christendom. A. C. M. that they were merely following in the footsteps of their fathers who had slain the very prophets who had foretold the coming of the Christ they had killed. IV. Stephen's triumphant death (7. 54-

54. When they heard-It is disputed whether the speech was finished or not. His abruptness in closing and the anger of the Jews at this moment render it probable that he was interrupted. Cut to the heart-Literally, they were sawn through, or asunder. A figurative expression for being greatly enraged. Guashed on him-They thirsted for his blood: "snarled like beasts of prey." "Truth would always seem to produce a double effect. Sometime ago we read have organized a gardering on Feb. guashed on him with their teeth. This ing Amazonian cavalry to ride them is the history of preaching to-day." - | down,

55. Being full-The Greek "being more than fifty young women practisfull" implies, not a sudden inspiration, a permanent state.-Plumptre. Looked up-We would see more heavenly visions if we would "look up" oftener. Into heaven-The question has been asked how he could see into heaven from that council chamber; but we should remember that the Spirit revealed to him this scene in heaven. "The eye of faith can see heaven from any spot on earth.' end saw-There is no indefiniteness about this statement. The glory of God -It was some visible manifestation of the divines plendor, such as Moses saw on Horeb and Ezekiel at Chebar. It first filled the tabernacle and afterward the temple, and shone round the shepherds. and appeared to the apostles upon Hermon. And Jesus-He saw Jesus " in His official character as mediator between God and man." Standing - In other places Jesus is represented as sitting on the right hand of God (see Matt. 26. 64). The right hand-Christ was exalted to a place of hoster and power. 56. Heavens opened-A figurative expression denoting that he was permitted to see into heaven. Son of man-This is the only time that our Lord is by human lips called the Son of man after His ascension. And why here? Stephen speaking by the Spirit is led to repeat the very words in which Jeans Himself, before this same council, had foretold His glorification.-Alford. on an elevation twice the height of a man, from whence with his hands bound he was thrown down, and then a stone as much as two men could carry was rolled down upon him by the witnesses, and there being none, he formally an nounced the election of Taft and Sherman and 162 friendship between you and the people present cast and there being none, he formally an nounced the election of Taft and Sherman and 162 friendship between you and the people as much as two men could lose their reputations, they would never against the vote as announced, and there being none, he formally an nounced the election of Taft and Sherman and 162 friendship between you and the people of Canada has steadily grown, and that your Government and ours have lately been able to conclude three treaties designed to remove possible causes of dispute the people present cast and there being none, he formally an nounced the election of Taft and Sherman and 162 friendship between you and the people of Canada has steadily grown, and that steadily grown, and that sever the adoption of a compulsory rule as to supply physicians with the serum. It would been able to conclude three treaties designed to remove possible causes of dispute the figure of Canada has steadily grown, and the people would do great the adoption of a compulsory rule as to the adoption of a compulsory rule as the supply physicians with the serum. It would been able to conclude three treaties designed to remove possible causes of dispute the first language would do great the adoption of a compulsory rule as the supply physicians with the serum. It would been able to supply physicians with the serum. It is a supply physician with the serum of Canada has steadily grown, and the supply physicians with the serum. It is a supply physician with the serum of Canada has steadily grown, and the supply physicians with the supply phy
