TAYLOR'S

Hopeville.

Intended for last week.

The Epiphany Church managing committee is taking hold to work and by appearance the congregation will be improved very much. It is as proper to change the committee sometimes, as it is to change the ministers.

The Hopeville church people are going to build a manse for their minister.

The Rev. Mr. Berry, Methodist Minister of Priceville and 16th con. Proton, has been around here visiting up some of the members.

Mrs. Thos. McLean who has been away in the States visiting her friends has returned home.

About three years ago, R. W. (Bert) Lova, son of Mr. Joseph Love of the 10th con. went away to Toronto and was working at carpenter work. A bout 8 months ago he got married and this last fall fell sick and died about a month ago. His young widow has come to Proton to stop some time with Mr and Mrs Love.

This Week's Budget.

Mr Joseph McArdle is home again after his journey to Midland, where he attended the funeral of his brother's wife. There he met many relations and old friends, who like himself had come many miles to pay their respects to Mrs W. H. McArdle, formerly of Hope township in the county of Durham.

Mrs William Scott, of the 13th con. here, is on a visit to friends in Hope township.

The Hopeville church people here were laying out the ground for their manse last Saturday. They are preparing for the work.

Our new storekeeper here is still drawing in goods.

Considerable changes are taking place here amongst the farmers by selling out and some renting.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth.

Dr. Shoop's Restorative was not made to do the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold by MacFarlane & Co.

Priceville

By another Correspondent
A large and very appreciative congregation greeted the pastor of the Methodist church here, Priceville, Sunday morning, the 21st.

Mrs Alred Hincks who has been seriously ill with bronchitis, is well and is slowly improving.

Mr and Mrs Switzer, of Norval, are visiting at the latter's uncle, C. C. James, Esq., and other friends in these parts.

A Sacramental Service will be conducted by the Pastor, Rev. H. Berry, at Swinton Park, next Sunday the 28th inst., at 2.30 p. m.

The Lord's Supper was administered to a large number at Ebenezer, Glenmont, last Sunday, the 21st inst., including many young people Mr Wm. Kamage and daughter gave good help in the service of song which the congregation and pastor appreciated very much. A prayer meeting will D. V. be held at the home of Mr Wm. Tucker's 22nd of Egremont, Monday the 1st of March, at 8 p. m.

Edge Hill.

Mr and Mrs Hope, of Owen Sound, are visiting at Mr Thos Banks at present.

Mr and Mrs Sutherland, of Stratford, were guests last week of Mr and Mrs Thos Banks.

Mr Dan Firth, of Jessopville, is visiting friends around Edge Hill.

Eat Sausages or New Bread.

You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that you will ferment or sour on your stomach if you will occasionally take a little Diapiesin after eating.

Your meals will taste good, and anything you eat will be digested, nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Billiousness, Heartburn, Water brash, pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals while your stomach can't. Each t. langule will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Paper's Diapiesin from your druggist and start taking to-day and by to-morrow you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and we are in a state of impurity and gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

Farm for Sale.

Crawford

Mrs Teasdale has returned home, after spending a fortnight visiting friends and relatives in the vicinity of Walkerton and Cargill.

James McDougall had the unfortunate last week of losing a valuable young horse. He has since purchased another from Jacob Nuhn.

Miss Jessie Hastie, of Durham, spent last week at her home here.

Harold Teasdale has rented his farm for a term of years to William Lunney.

George Harvie entertained his friends last week with an oyster supper, followed by a dance. A very lively time is reported.

John Lunney, of Aberdeen, passed through our town last week on his way to the funeral of his nephew, Bert Lunney, of Elmwood.

Mr and Mrs Marshall, of Allan Park, spent a pleasant evening recently at the home of Mr Dugald McDonald.

Our township Assessor, W. G. Hastie, is on his rounds at present. Will is a hustler and does not believe in letting the grass grow under his feet.

Mrs Christopher and Master Eric, of Chesley, spent a few days renewing old acquaintances in this neighborhood.

James Smith, accompanied by his sister Miss Nancy, visited their sister, Mrs John McDonald, of Aberdeen.

William Lunney, our popular and enterprising councillor, has purchased a driver from Mr Teasdale. Mr Lunney knows a good horse when he sees one.

Miss H. C. Hastie, teacher at Pearl Lake, is spending a few weeks at home. Her school is closed at present because of small-pox in the section.

Alex McDonald and Andy Hastie are taking out timber. The voices of the forest never calls in vain when it comes to Alex.

Chas. Emke is taking full advantage of the sleighing to rush in his logs as quickly as possible.

Doug McDonald, accompanied by his sister Miss Annie, spent the week end with friends at Walkerton.

Mr and Mrs T. B. Hastie entertained a few of their friends on Wednesday evening.

Mr and Mrs J. S. Wilson, of Louise, accompanied by Miss Milne, spent last Friday evening at Mr Alex McDonald's.

Miss Kate McDougall, of Durham, spent Sunday at her home here.

Bob Stinson, Aberdeen, visited friends around Crawford Sunday.

Tareating feverishness with children is quickly and safely calmed by Preventives. These little Candy Cod Cures Tablets should always be at hand in every home. They are pleasant and easy to take. Obituary

JOHN G. MEADE

Since our notice of the passing of this gentleman, a few weeks ago, we have been a recent issue of a Hudson City paper which mourns their lost citizen—a fine cut of whom appears in no ordinary degree. Believing that many friends of the deceased would be interested, we append a few extracts from the paper which, though old, were found in a man of our acquaintance, and who, of a genuine unselfish nature.

The obituary reference contains the following tribute: "There was no better citizen of Hudson than the respected citizen of Hudson than Mr Mead, who came here a young man without means except skilled hands; but who by industry, economy, integrity and common sense accumulated a goodly estate."

He was a public spirited man, always enthusiastic for the general welfare of the town and gave to all worthy enterprises very substantial support. He served repeatedly on the council and school board of his town and worked indefatigably for its success. The mantle of Dr. Rogers naturally fell upon him as township clerk. The newly organized Men's Club found in him a very ardent, active member. His association with the church was always inspiring, because of the unselfish enthusiasm. But his public interests did not consume his large heartedness. He was passionately devoted to his own family and friends. His beautiful new home, with its comfortable and cheerful faces of character, and he was an unusually loving and indulgent husband and father."

In another column is the Editor's personal appreciation which we give in full: "In the death of John G. Mead a pillar has been removed from the foundation of Hudson's business and civic life that will be missed by all. He was a man of many parts, an active life of the village who would not consent to be a mere spectator, but who was always in the center of the whole town that he was ever ready to assist in any laudable enterprise gotten up in the interest of the village, and when occasion demanded he was in the front ranks with sleeves rolled up ready to keep the ball rolling. John G. Mead was the originator and proposer of the Hudson Home Day Association, an affair that did not consume his large heartedness. He was passionately devoted to his own family and friends. His beautiful new home, with its comfortable and cheerful faces of character, and he was an unusually loving and indulgent husband and father."

WHEN LOVE WAS HOT.—A cigar in the hands of her beau caused a Walkerton sweet-heart to get so uncomfortable on Sunday night that she almost went up in smoke. The young couple had been to Chesley and were driving home when the aforesaid beau dropped a lighted cigar on a horse-blanket in the cutter. Love being blind and the Buffalo robe thick they did not see the blaze which was gradually enveloping the bottom of the cutter. As they drove on they began to feel the climate getting sultry, and the young lady began to remark "Ture." She would like to have jumped into a snow-bank but as this was unfashionable decorum she sat it out. Her temperature, however, continued on the rise, she suggested dispensing with the Buffalo robe. On raising the robe, a volley of flames and smoke shot out which caused the occupants to stare locked-jawed with surprise. The clothes of the young lady were discovered to be on fire and before the blaze could be extinguished she was exposed to the almost dead. The young man of course came in for the blame, not only at the hands of the girl, but of her father, who exposed her to him, thus: "When my daughter left home with you, she was composed of flesh and blood. You had no right to burn her a burnt offering and pieces of burnt horse-blanket and pieces of burnt woman's apparel were relics of the confounding fire. Her dress was found in the gutter when it was returned to Ronnie's livery on Sunday night."

Live Stock Preparations

A great number of farmers that have been in the habit of fattening stock, have discovered that there is nothing like International Stock Food to fatten all kinds of Live Stock. We lately purchased a horse from Mr Wm Vessie and after feeding him one package of International Dispenser Cure and one package International Stock Food with his regular food, disposed of him and reaped a handsome profit.

If your horse is low in flesh try a package of International Stock Food or a package International Worm Powder.

If you are fattening Cattle or Hogs buy a pair of International Stock Food.

If your horse has a Cough try a package of Distemper Cure, and you will save money.

If your stock is Louisy try International Pheno-Chloro.

If your horse is lame try International Compound Absorbent.

If your horse has Heaves try a package of International Heave Cure. Silver Pine Healing Oil will heal a cut or remove a swelling on man or animal.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn any one back to flesh again. That is impossible. But I can now surely kill the pains and pains of this deplorable disease.

In Germany with a Chemist in the City of Darmstadt I found the last ingredient which Dr. Shoop's Rheumatic Remedy was made with. Without this ingredient I successfully treated many cases of Rheumatism but now, at last, I can cure almost all cases of this horrid disease. These small-like granular matter, when mixed with water, and taken freely as does sugar, when added to pure water, Rheumatism is gone forever. There is now no need for actual excruciating longer with out help. We sell, and in confidence recommend.
