### Make this up At Your Home.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it.

Fluid Extract Dandelion, one half ounce; Compound Kargon one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal.

These ingredients are all harmless and easily got at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure Rheumatism by forcing the kidneys to filter and strain from the blood and system all urea acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

THE FERT.—A soldier of the "Black Watch," the 42nd Highlanders—while passing a private of the "Bushmen," stepped heavily, and perhaps unintentionally, upon the foot of the latter. Up sprang "Bushie," "You stepped on my foot," he hissed, menacingly. "I did my best to leap over it," said the Highlander, "but a Highlandman is only human. I'm no kangaroo." A fierce battle immediately ensued.
